

# JUNE 2026

## NEWS FROM THE HERD

Our aim is to provide a lovely, welcoming, community-focused pub for locals and visitors from further afield. So to receive amazing reviews just makes our day!

“If you want a lovely country pub with views, good beer and a huge beer garden with lots for kids to do, then there’s nothing better in Dorset. We came on a hot sunny afternoon and weren’t disappointed”

“Lovely pub, great atmosphere! 10/10 food and a wide range of options for GF or vegetarian, so highly recommend! Large sunny beer garden and service was incredible! Beautiful family-run pub, will be returning !”

### No Folkie here!

Wimborne Folk Festival is on 12-14 June. While it’s a great event, its not everyone’s thing. We’re not folkie folks, so beat the crowds, enjoy a leisurely lunch or dinner and drinks without the queues and crush!

### Specials just for you!

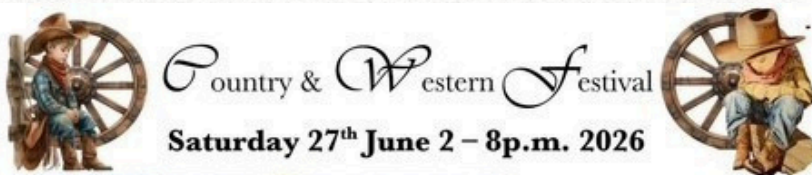

As well as our new menu, we always have a select ‘specials’ menu. This is just an example of what we create!

#### The Horns Inn Specials

Steak & kidney pudding with mashed potato, peas & gravy (contains wheat)

Chicken, ham & leak pie with chips, peas & gravy (GFO)

BBQ pork belly ribs with salad, fries, coleslaw & onion rings

Country & Western Festival

## Saw it , liked it, bought it!

We spend a lot of time visiting different places and looking for pub inspiration. On one of our trips we couldn't resist bringing this artwork home with us!

And do check out our quote prints which are new too. All with the aim of bringing a smile!

SHOUTING "I PREDICT A RIOT" REPEATEDLY IS NOT THE BEST WAY TO ALERT THE POLICE.

(MUCH BETTER TO PICK UP THE PHONE AND TO CALMLY RELAY YOUR PRECISE LOCATION, A BRIEF SUMMARY OF THE SITUATION AND TO ASK FOR THE APPROPRIATE RESOURCES TO BE DEPLOYED)

I HEAR THAT TRAFFIC SIGNS ON ROUTES APPROACHING AMARILLO HAVE NOW IMPROVED.

(WHICH IS A DEFINITE POSITIVE FOR LOCAL RESIDENTS WHO WERE ABSOLUTELY SICK OF HAVING TO CONSTANTLY PROVIDE DIRECTIONS)

CLUB TROPICANA'S REVENUE MODEL WAS FUNDAMENTALLY FLAWED.

I REFUSE TO BELIEVE THAT ABSOLUTELY EVERYBODY WAS KUNG FU FIGHTING.

(AND EVEN IF THEY WERE NOT ALL OF THEM WOULD HAVE FOUGHT WITH EXPERT TIMING)

DO NOT EVEN THINK ABOUT PUSHING MY PINEAPPLES OR SHAKING MY TREE.
