NEWS FROM THE HERD

Summer is here... but for how long? ☀️

Make the most of it and relax in our spacious outdoor area, complete with a children's play area and a dog-friendly enclosure, or head inside to stay cool. And don't forget, we're open to holding your private event - from weddings and parties to wakes and everything in between!

School's out for Summer!

Meet up with other parents and kids and celebrate the end of term. It's a safe and friendly place, with a kids' menu and drinks available. And of course the usual range of drinks for all the mums, dads and guardians (you'll need it to get through the six weeks!)

Thank you!

We're going great guns raising money for Julia's House. Remember that all of our quizzes and events donate a percentage to this brilliant cause, so please take part!

Burgers, but not as you know it!

We've always included burgers on our menu as they are pure pub grub, but we've gone above and beyond with our new choices!

As well as the usual beef burger options, we've now enhanced our chicken burgers. From loaded chicken nacho to honey mustard and Hunters chicken burgers, or go plain!

The choice is yours!

Another great review!

"I went here with friends for a catch up, and we really enjoyed our visit. They have an extensive menu, where I could have chosen several things, but I had the Hunters chicken burger, which was really good. The desserts were lovely too, again, I could have chosen several, but the cherry bakewell sponge and custard was just delicious. We thought the prices were really reasonable too, I'd say about £4-5 less per main than most pubs at the moment. The bar lady was friendly and the inside cosy and comfortable. A good evening!"

Thank you to everyone who leaves us a review. It means a lot to us, and also helps us tailor our menus and service where relevant.
