

CARIBBEAN SOUL

— BOLD FLAVOURS • WARM COMPANY —

A Note from Karl

I was born in London and have lived my whole life in England – it's home, and a place I love deeply.

My Dad was Jamaican, and growing up we were surrounded by the warmth, generosity, and incredible Caribbean cooking.

This menu is a small nod to that part of my heritage.

Here at the Swan we bring together the best of both worlds – classic English pub dishes alongside vibrant Caribbean flavours – all served in the spirit of good food, good company, and a welcoming local pub.
