A Note from Karl, Landlord

I was born in London and have lived my whole life in England - it's home, and a place I love deeply.
My Dad was Jamaican, and growing up we were surrounded by the warmth, generosity, and incredible Caribbean cooking.
This menu is a small nod to that part of my heritage.
Here at the Swan we bring together the best of both worlds - classic English pub dishes alongside vibrant Caribbean flavours - all served in the spirit of good food, good company, and a welcoming local pub.
