

About this Cookie policy

Company: Ask Products Ltd.

Date: 23-05-2019

This Cookie policy explains what cookies are and how askporter uses cookies to improve your experience. You should read this policy to be aware of what cookies we use, the information we collect and how they are stored. For more information on how we keep your information secure please take a look at our Privacy Policy [insert link].

What are cookies?

Cookies are little text files which are stored on the browser or hard drive of your computer or mobile device when you visit a webpage or application. Cookies work to make your experience browsing our site as smooth as possible and they remember your preferences so you don't have to insert your details again and again.

There are different types of cookies. Some cookies come directly from our website and others come from third parties which place cookies on our site, this is explained down in cookies we use.

Cookies can be stored for varying lengths of time on your browser or device. Session cookies are deleted from your computer or device when you close your web-browser. Persistent cookies will remain stored on your computer or device until deleted or until they reach their expiry date.

How do we use cookies?

We use cookies to enhance your browsing experience by:

- Personalising the website experience for you

What cookies do we use?

Currently we are using the following cookies:

Cookie: All cookies starting with '__hs' or containing 'hubspot'
