

Dear fellow members of the Swedish Society for Virology (SSV),

1) Several **Job opportunities within Virology**, including:

"PhD student position aerosol technology, viruses in the air, **Lund University"**

"Postdoc position in virus-host interactions, WCMM, **Umeå University"**

"Two Postdoc positions (100% and 50% resp.) in HIV research, **Karolinska Institutet"**

"Assistant Professor position in HIV research, **Karolinska Institutet"**

"Postdoc Scholarship in Molecular Virology and RNA Regulation, **Lund University"**

are now posted at our website, <http://www.swedishvirology.se/jobs.html>

2) On our website you can also find information on upcoming Virology meetings, include the **European Congress of Virology**, Rotterdam, April 28-May 1, 2019 (Early bird registration deadline **March 24**) and the **ScanVir2019 meeting**, Turku, June 3-5, 2019

<http://www.swedishvirology.se/meetings.html>

3) As for the **16th Smögen Summer Symposium on Virology** (August 22-24, 2019), the Second Circular with more information and opening of registration will soon be distributed. **Keep your eyes open!**

4) Please remember that you as a PhD student or Postdoc have the possibility to apply for **Travel grants from SSV**. See our website for instructions and the application link http://www.swedishvirology.se/travel_grants.html

5) If you are interested to post information on meetings, courses, jobs or other relevant information about Virology at the website, do not hesitate to contact, Marianne.Jansson@med.lu.se, SSVs webmaster.

All the best SSV
