

**Dear fellow members of the Swedish Society for Virology (SSV),**

- 1) From now on we aim, on a regular basis, to post **"Virology News"** on our website <http://www.swedishvirology.se/> and anyone that has suggestions on publications that should be highlighted, and are of interest for Swedish virologist, please send this information to [Tomas.Bergstrom@microbio.gu.se](mailto:Tomas.Bergstrom@microbio.gu.se)

This month we are highlighting recent publications on **"Influenza vaccine efficacy monitoring in real-time"** and **"CRISP-CASa/C2c2 based detection of specific virus strains"**.

- 2) Please also find information on the **"7<sup>th</sup> National Infection Biology (NIB) meeting at Djurönäset, October 16-18, 2017"** (registration deadline June 12).

And do not forget to sign up for the **Smögen Symposium on Virology** August 24-26, 2017 (registration deadline June 20), as well as the **National Course in Molecular and Marine Virology** taking place in Smögen August 21-23, 2017 (registration deadline June 4).

Information and links on the above meetings and the course can be found at <http://www.swedishvirology.se/>

- 3) We also encourage you to visit our website for more information about the Society, past and present courses, Smögen meetings and travel grant recipients, in addition to contact information.
- 4) If you are interested to post information on meetings, courses, jobs or other relevant information about Virology at the website, do not hesitate to contact, [Marianne.Jansson@med.lu.se](mailto:Marianne.Jansson@med.lu.se), now SSVs webmaster.

**All the best from SSV**
