Carron Bathrooms

The Trade Book 2025

Welcome to the 2025 Carron Trade Book, the trade’s favourite guide to the trade’s favourite baths. This guide contains every Carron Bathrooms product and all the information and specifications needed to choose and fit our baths.

Carron’s reputation for quality and reliability is combined with a fast and efficient sales support team. Here to help you with any questions before and after you purchase one of our baths.

Our entire bath range is available in our patented Carronite finish, which now comes with a 40-year warranty. Proving that Carron is indeed The Name for Baths.

PRICES SHOWN ARE EXCLUSIVE OF VAT. PRICES VALID FROM JULY 1st 2025.

The product pages in this Bath Book come with a series of icons showing the optional extras available for each model.

CARRONITE™

Carronite™ is Carron’s unique patented manufacturing process. Carronite baths are more stable and hold water temperature for longer than a standard acrylic bath. Every Carronite™ bath comes with a 40 year manufacturer warranty, giving extra peace of mind when installing for a customer.

PANELS

Baths with a panel icon have a corresponding panel designed specifically to fit the product in question.

HAND GRIPS

Many Carron baths come with hand grips as an optional extra. All Carron hand grips allow for the use of a showerscreen.

WHIRLPOOL

The ultimate in bathing luxury, C-Lenda Whirlpool systems are available as an optional extra for Carron baths. You will also find a guide to the Whirlpool range available on page 6.

EASE OF ACCESS

If you require a bath with a lower height, look out for our Ease of Access icon, to assist users with limited mobility.

WATER SAVER

Providing a solution for those looking to reduce their water usage, the Water Saver icon shows baths with reduced water capacity.

Carronite™.

Designed to last a lifetime.

Carronite™ from Carron bathrooms is the original and best, reinforced bath finish.

All Carron baths are robust, sturdy and well-built. But the benefits delivered by the unique Carronite™ finish brings added strength and quality. Making the bath 30% stronger and holds heat for 30 minutes longer.

Carronite™ comes with a 40 year warranty.

To celebrate the 40th Anniversary of our Carronite™ finish, we've increased our warranty to 40 years!

C-Lenda

Whirlpool Systems

The C-Lenda Whirlpool system is the most technologically advanced system available on today's market. This unique jet system has been designed by Markon in New Zealand and ensures the most comfortable bathing experience. Almost all baths in the Carron range are compatible with this whirlpool system and are made to order by our skilled technicians at our factory in Falkirk.

In previous whirlpool baths, the fittings protruded from the bath wall into the bathing area and were prone to build up of soap which was difficult to clean. In the unique C-Lenda design, all fittings are flush with the bath wall, creating a smooth, continuous surface.

The Timeless Choice

Our Quantum SE model is a perennial favourite for both our trade and consumer customers. This makes it the ideal choice for almost any bathroom installation.

The Quantum SE comes in 11 different sizes (now including a 1650mm version) and has a modern style that allows it to work with a wide range of

sanitary ware. With so many options available, choosing a bath can be a tough decision for customers. You can safely remove that stress when you recommend the Quantum range. Shown here with a fresh, mint green backdrop, the Quantum is a winner wherever fit and flexibility are essential.

Showerbaths

With more space for showering whilst retaining the option of a luxury bath, our range of showerbaths all come with matching shower screens and panels.

Carronite™ **Ideal for showering**

The strength and stability offered by our Carronite™ finish makes it an ideal option for the showerbath of your choice.

TIME TO UPGRADE YOUR SHOWER EXPERIENCE.

Buy any **Carronite**
showerbath and panel
set and get a **shower**
screen completely free.

Our Carronite baths bring an extra feeling of strength and stability, making them the perfect choice for a showerbath.

Carronite showerbath sets consist of Carronite Bath, Carronite Front panel or L-panel and Screen. This offer, based on a Celsius Showerbath Set with Wrap round screen (02379) would give a potential saving of £962 ex-VAT at retail price.

ColourMatch

The future is colour

Carron's ColourMatch concept is our solution to the ever changing design environment. So your clients will no longer be restricted to white for their freestanding baths.

Every bath is coloured to the client's specification based on a RAL classic colour reference. Providing a unique design statement while still meeting Carron's rigorous manufacturing standards.

ColourMatch

ColourMatch Infinity Base

ColourMatch

With ColourMatch, your client can choose the colour of their freestanding bath base by simply providing a RAL classic colour reference number.

Curved and compatible

Looking for a flexible bath in a tight space? The Dove is the solution.

Certain bathroom layouts can be challenging when choosing your bath. However, you shouldn't have to compromise on design to work with a challenging layout.

The generous bathing capacity of the Dove sits within a tight, 1550x950mm

footprint, so squarer spaces are ideal for this corner bath.

The Dove doesn't just need to be the solution to a layout problem. Its distinctive styling and bathing practicality provide a comfortable bathing experience and is ideal for families with small children.

Panels, Screens & Accessories

When buying a Carron bath, it is just as important to ensure that your accessories are up to the job. Designed and manufactured specifically to fit perfectly with the Carron range all our panels, screens, grips and headrests guarantee a perfect fit and an easy install.

Screens

All Carron showerbaths have a custom designed screen available. The Quantum Showerbath has a unique screen while the more traditional P-shaped showerbaths in the Carron range have the option of a curved screen or a fully enclosed wrap round screen. Giving more definition to the shower area.

Standard flat screens come in two size and shape options, produced to match Carron's high standard of manufacturing.

Shower screen options

Carron standard flat screens come in two heights with either a square or curved profile. Now available with chrome or black finish profile.

Panels

We offer a range of panels to complete the look of your chosen bath. One piece L-Shaped panels provide the ideal solution, ensuring a flawless finish and removing any unsightly joins between front and end panels. Where an L-Shaped Panel is not suitable, standard front and end panels are also available.

All front and end panels can be purchased in standard or Carronite finishes.
