DESIGNED FOR EVERYDAY LIVING

Ideal Standard

PART OF THE IDEAL STANDARD GROUP

# Setting the standard in style and quality.

Ideal Standard Group is one of the leading manufacturers of products and solutions for private and public bathrooms. We see ourselves in the context of urban development, building architecture and bathroom design. Our mission is to make life better for our customers. We aim to shape the future of modern living, together with architects, urban designers, construction firms and our partners in trade and research.

# Designed to perform

Your clients and end-users are looking out for improved sustainability and advanced performance. They expect beautiful, lightweight design. We design with the demands of modern life in mind: pushing ourselves to achieve new levels of efficiency, offering elegant and impactful design.

Meanwhile, our decades of experience have taught us that there's always a better, more intelligent solution. Which is why we never rest until we've found a way to offer you and your clients a higher standard of performance.

Connect 2 offset quadrant enclosure, Simplicity offset quadrant tray, Concept Easybox Slim Shower Built-in Pack, Concept Air 80cm vanity basin & unit, Concept Air project basin mixer & Mirror with sensor, ambient & front light, anti-steam

# Connect 2

Sleek, modern and minimalist, Connect 2 is luxury without the price tag. Designed to look and feel sensational, it combines high quality materials with easy manageability for everyday showering pleasure.

Connect 2 slider door & side panel, Ultraflat S shower tray, Ceratherm T100 Dual Shower System with Cube Rainshower & EVO Diamond handspray

Connect 2 slider enclosure door, Simplicity rectangular shower tray, Ceratherm T25 thermostatic shower mixer with Idealrain flexible slide bar kit & multi-function handspray, Tesi semi-countertop basin, Tesi wall hung WC & seat, Tempo semi-countertop & WC furniture units

# Suit your every need.

Connect 2's sleek good looks and wide choices make it the perfect fit for any modern bathroom.

Ideal Standard understand what it takes to make the perfect shower environment. The main considerations for planning are access, space and position.

Connect 2 infold shower enclosure door, Simplicity rectangular shower tray, Ceratherm T25 Dual Shower Pack with Idealrain M3 kit & Concept Air column unit

# Expertly designed for tight spaces.

## Corner Installations

### QUADRANT AND OFFSET QUADRANT

These curved enclosures suit almost any bathroom design, creating an open environment, even in restricted spaces. Available with sliding doors.

### SLIDING DOORS WITH SIDE PANEL

Sliding doors offer maximum access where there is limited space to open a door. They can also work well in larger spaces to create luxurious showering areas.

### CORNER ENTRY

When space is limited on either side of a shower enclosure a corner entry with sliding doors offers an effective solution.

### BIFOLD DOOR WITH SIDE PANEL

When there isn't room to open a door a Bifold door is a good solution. It offers wide access in tight spaces as it folds both inwards and outwards.

### PIVOT DOOR WITH SIDE PANEL

These doors swing open to offer wide access, which when combined with a side panel creates an light and airy showering area.

## Alcove Installations

### PIVOT DOOR

These doors work well in alcoves allowing the maximum showering area combined with the maximum access.

### SLIDING DOOR

Sliding doors are a practical solution for alcoves, especially larger spaces. The door glides on smooth running wheels for access.

### BIFOLD DOOR

The Bifold door is a great option for smaller spaces. It folds inwards and outwards to provide full access.

Connect 2 infold shower enclosure door & side panel, Simplicity square shower tray, Ceratherm T50 thermostatic shower mixer with flexible slide bar kit & EVO handspray, Studio Echo back to wall WC & seat

# Complete range of features.

Expert engineering means Connect 2 is full of clever features which make them not just a pleasure to use everyday but easy to install, clean and maintain.

### Click & Clean

Bottom wheels on sliding doors can be released from track for easier cleaning. The wheels click back into position for water tight sealing.

### Guarantee

Enclosures and baths screens have a 10 year guarantee.

### Glass Thickness

6mm toughened safety glass.

### IdealClean

Reduces cleaning time by up to 90%. Special coating so glass is easier to clean and stays cleaner for longer.

### Horizontal Adjustment

Profile can be adjusted to allow for untrue walls.

10 year guarantee

# Shower trays

Ideal Standard offer a range of shower trays to complement our enclosures. These slim, low profile trays are strong and durable with a clean contemporary design which makes them suitable for a wide range of installations.

## SHOWER TRAY SHAPES

There is a wide range of shapes and sizes available for every type of installation.

In addition to the square and rectangular standard measurements, the Ultra Flat S trays have the possibility of customized production.

## UPSTANDS

Upstand trays feature a water retaining lip around the edge that is tiled into the wall to minimise water leaks (see right).

The shower is installed against the finished wall with plaster board on top of the upstand.

The tray is then tiled into the wall by tiling over the upstand onto the tray.

Where an upstand is not required around the whole tray a roll of flexible adhesive upstand is available to purchase which can be cut to size as required.

# Ultra Flat S Shower Trays

A luxurious compound with an exceptionally robust performance.

Ultra Flat S is the new shower tray made in IDEAL SOLID®, a highly resistant material composed of a mixture of natural minerals and resins. The matt stone effect finish is elegant and contemporary, and gives distinctiveness and personality to the shower area.

## FEATURES

- 30mm height
- Made in Ideal Solid®, a highly resistant combination of natural minerals and resins.
- Matt stone effect available in four contemporary finishes
- Stain proof – resistant to chemicals
- Anti slip - DIN class C
- Bacterial resistant
- Resilient surface is fully repairable in unlikely event of scratching
- Can be installed flush with the floor for level access
- Matching coloured waste covers available
- 5 YEAR Guarantee

All of our Ultra Flat S shower trays come with an integrated stainless steel waste cover. Colour matched waste covers can be purchased separately. These are compatible with our Ideal Standard 90mm fast flow waste (L6307AA) which is sold separately.

## FINISHES

FR Pure white

FV Jet black

FS Concrete grey

FT Sand

## A CUSTOMISABLE & VERSATILE INSTALLATION

The shower trays can be customised on site to meet any space requirement. With an option to install the tray flush to the floor creating a seamless, luxury feel.

We offer these standard sizes and the possibility customised production dependent on order quantity.

**Ideal Standard have experience and expertise that can prove invaluable to your project. Our sales support teams know the product ranges back-to-front and field based contact managers can provide technical advice and training in installation.**

**We understand that your business relies on our supply chain, ease of installation and guaranteed performance.**

## SPECIFICATION SUPPORT

Ideal Standard's specialist service has been created as a 'one stop shop' to work alongside you until your project reaches a successful conclusion. We bring all of our expertise and product knowledge to bear on your behalf, however large or small your budget. We are effectively a partner in parallel and we:

- hold a huge amount of information and experience in water delivery
- can advise on issues around environment legislation and health and safety
- can match appropriate products to specific applications
- work with you to prepare estimates, costings and schedules
- track projects from proposal to completion
- advise on after care and maintenance

Our aim is to enable the smooth specification of a project making life easy for you.

**0870 122 8822** Monday to Friday 9:00 – 5:30pm

## IDEALSPEC

Idealspec.co.uk, by Ideal Standard, is the industry bible. With over 5,000 dedicated listings, it has become the UK's largest collection of bathroom and washroom products. It offers a specifier tool that generates documentation in NBS format and downloadable CAD files. All optimised for use on smartphones when you are on site.

[www.IdealSpec.co.uk](http://www.IdealSpec.co.uk)

## PLANNING

We offer a complete 3D and 4D visualisation service using Virtual Worlds planning software.

## BUILDING INFORMATION MODELLING (BIM)

We've been leading innovation within the bathroom sector for decades and with BIM there is no exception. Each of our BIM drawings are created within Ideal Standard directly from the original design data, providing you with the highest visual representation and accurate up to date COBie data. Our expert team are also able to offer a bespoke BIM package.

BIM advantages:

- allows construction projects to be digitally modelled from start to finish
- simpler communication and enhanced collaboration
- reduces work by more than 30% due to less errors or recalculations
- greater accuracy of project phasing, reducing project costs
- legal requirement for construction projects in the UK – other countries are following.
