# WHY CHOOSE IDEAL BATHROOMS?

Call us Idealists, but we think everything should be perfect – or at least as close as is humanly possible.

As the UK's No.1 Bathroom Distributor, we believe our service should be a shining example to the rest, where nothing is too much trouble and promises are always kept. Over the last 44 years we've learned what our customers want, the pressures you're all under and understand how tough it is out there – and we'll do everything in our power to help you succeed.

We have worked closely with Armitage Shanks to include key stainless steel products in our stock holding to help support merchants and retailers with all your commercial product needs.

We are pledging to have those products highlighted as stocked items, stocked in volumes and available to you the retailer on next day delivery - now That's Ideal!

Designed to perform  
and built to last.

Armitage Shanks’ commercial stainless steel collection is designed and manufactured in the UK. Our wide range of products is perfect for heavy duty use in washroom, healthcare, education, laboratory, catering, sports & leisure and secure facility settings.

Designed to meet healthcare needs

Our stainless steel clinical, plaster and domestic service sinks, scrub-up troughs, as well as janitorial and clinical disposal units, have all been designed to meet the needs of hospital patterns as stipulated in **HBN 0010 (HTM 64)**.

As an added benefit, all our sinks and wall mounted units come complete with fixing brackets - a feature that saves money and time.

All our commercial stainless steel manufacture is fully accredited to ISO 9001.

Guarantee

5 years on stainless steel products.

Our confidence in the quality and reliability of our product allows us to offer outstanding extended guarantees on all our products – where the product fails within 5 years we offer a free replacement or replacement part (or nearest equivalent). So when your washroom has been satisfactorily installed and is working well, please ensure you register your guarantee.

This guarantee is transferable – it applies to the product not the purchaser provided the guarantee registration is passed on to the new owner.

Liability is limited to individual products and the guarantee does not cover the consequential loss or damage or installation costs. This guarantee does not affect your statutory rights. Products must be installed, used and cared for in line with our fixing instructions and local water regulations, and room must be adequately ventilated. Parts (eg. flushvalves) are guaranteed for five years and will be replaced if found to be faulty.
