

## WC flush controls with electronic flush actuation, mains operation, dual flush, flush plate Sigma10

2013 -

**Brand** Geberit

**Type** Sigma10

### Characteristics

|                          |                                        |
|--------------------------|----------------------------------------|
| Year of manufacture from | 2013                                   |
| Dimensions / Design      | Sigma10 actuator plate: 24.6 x 16.4 cm |
