170 x 75cm Asymmetric Idealform Plus+ Bath Left Hand with no tapholes

The Concept 1700 x 750 Asymmetrical bath has the added feature of being double ended, it's a great addition to the Concept bathing family. Its style fits in perfectly yet its shape gives design differentiation, whilst still being functional.

In addition, the Asymmetrical bath is compatible with Ideal Standard shower screens.

1. Domestic and hotel use
2. Part of an extensive range
3. Also available as Idealform
4. Increased strength and rigidity
5. Dedicated panel
