FAQs

What is the size of the connections? The shower arm uses 1/2" connections for both the inlet and outlet.

What size pipework do you recommend? This accessory is designed to be used with G1/2" plumbing connections and 15mm pipework.

What is the base material of this product? This product is made from brass and either chrome plated or PVD coated depending on finish.

How do I care for the finish of this product? We recommend using only a damp cloth and warm water. Do NOT use abrasive cleaning products or cleaning chemicals as this may damage the surface of the product.
