Quality Reinforced Designs.

Enjoy time away with Swan's exceptional range of baths. Our collections are designed to transform your bathroom into a serene escape, offering a variety of styles and sizes to suit every preference. Our standard baths are also available with Swan's **signature "Geode" reinforcements**, ensuring enhanced durability without compromising on style.

All Swan baths are manufactured with **high-quality acrylic** as the standard, providing a sleek and modern appearance. To elevate the performance, our Geode baths feature an extra layer of reinforcement using fibreglass and resin on the back of each bath, ensuring long-lasting quality and stability. This thoughtful design not only extends the life of your bath but also offers a robust feel that enhances your bathing experience. Perfect for any modern bathroom.
