# Your guide to VitrA bathrooms

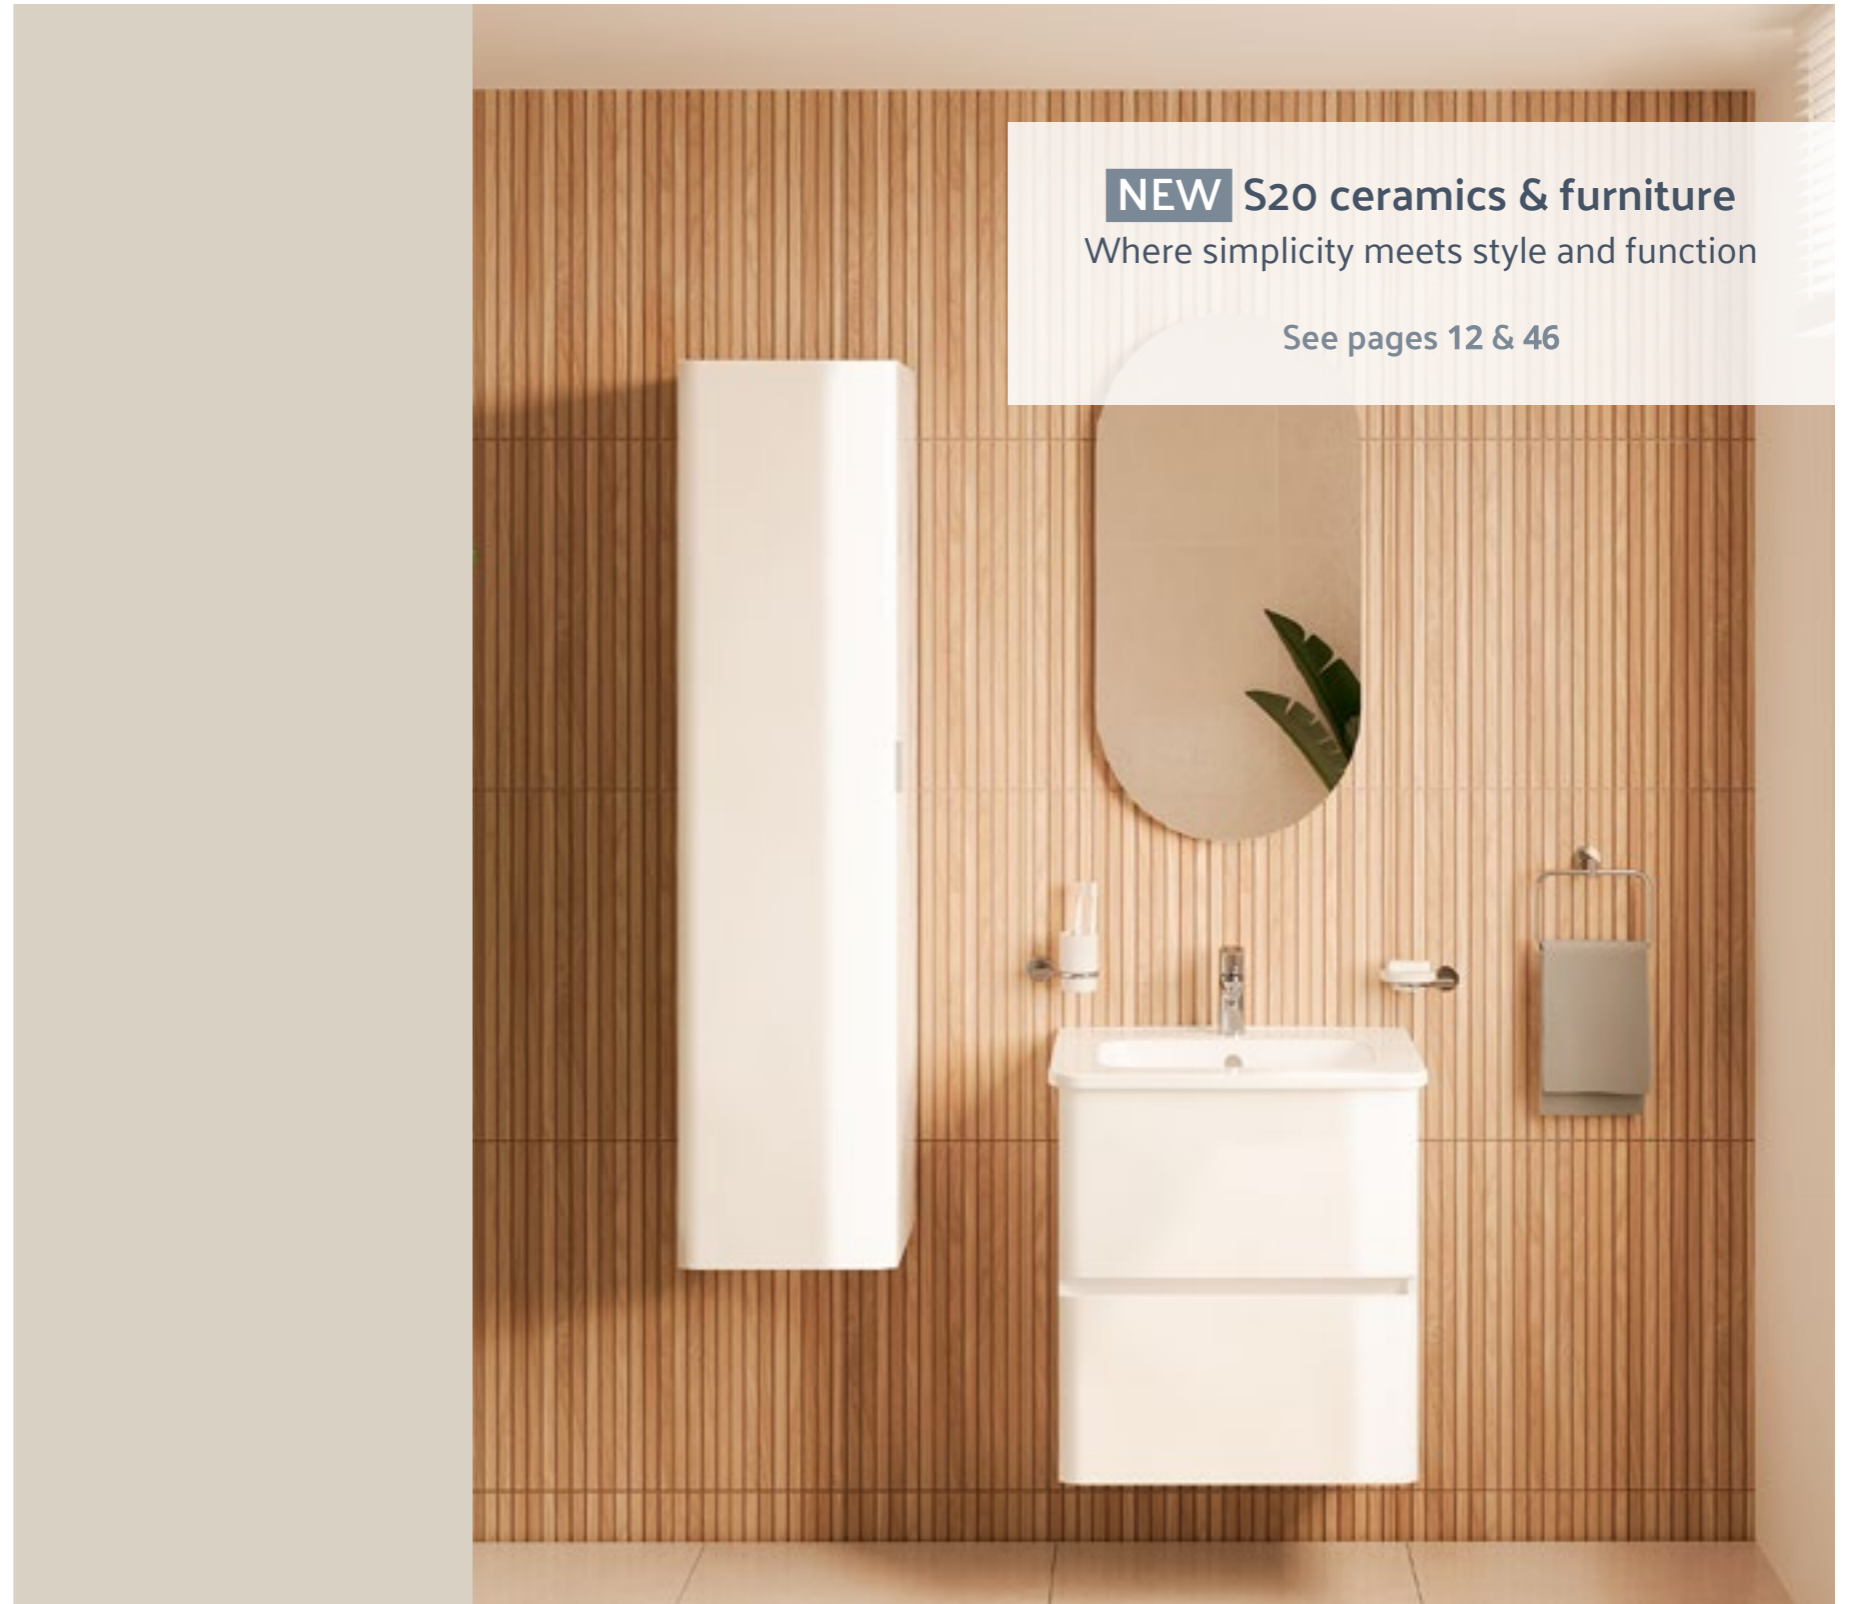

Choose the perfect VitrA bathroom, from contemporary to classic, you have endless choice and flexibility to suit all tastes and any budget

# VitrA

Here you'll find the key technical information and essential details for each range, including the product code, price, image, measurements and compatible products. We have used icons throughout to make features easier to identify.

## Stock availability

The majority of the products featured in this brochure are readily available. Delivery is generally within 2 working days unless marked with an orange dot ●, these products will generally be delivered in 7 working days.

# Why choose Vitra

You're in safe hands, with six decades of innovation and manufacturing experience

With six decades of innovation and manufacturing experience, you can count on us for quality, durable, reliable products that fit any bathroom or specification project – and with UK stock readily available at your fingertips.

Possessing one of the largest production complexes in the world, Vitra's state-of-the-art factory produces ceramic sanitaryware, bathroom furniture, taps, showers and tiles. The Vitra Innovation Centre explores new products, materials, processes, and technologies.

## Vitra Global

We export to over 120 countries and have vast manufacturing capabilities.

With 65 years of experience in the ceramic industry, we are establishing best practice standards for a better future. Scan the QR code to watch our journey and commitment.

# Sustainability

At VitrA, we're passionate about creating a healthier world, starting right from your bathroom

## How do we do it?

Picture this: our ceramic factory in Bozüyük, Turkey, now houses a state-of-the-art solar panel plant on its rooftop. This year alone, it's set to produce an incredible 5.4 million kilowatts of clean, renewable energy. And that's just the beginning! Our plans include expanding this solar initiative across 112,000 square metres, aiming to cover 37% of our electricity needs straight from solar power.

But we don't stop there. Our dedicated teams are hard at work, focusing on every aspect of our production journey. From innovating product packaging to significantly reducing water consumption, we're committed to making a real impact. And you're a crucial part of this journey towards a more sustainable future.

Together, with every purchase you make, you're contributing to a world where every step towards a greener tomorrow counts.

Join us in making a difference, one bathroom at a time

## Circular economy

By adopting the circular economy as a core business strategy, we aim to optimise resource use in line with Eczacıbaşı Group's environmental policies and promote energy savings through sustainable products.

We successfully diverted **75,344 tons** of recycled materials, such as cardboard, plastic, and metal, from landfills and reintegrated them into the production cycle.

## Product responsibility

We aim to create a more sustainable product portfolio by minimising environmental impact from the design stage onwards and encouraging individuals to adopt healthier and more sustainable lifestyles.

Our **VitrA Recycled Washbasin** saves **5kg of raw materials per unit** and lowers global warming potential by **30%**, earning recognition at the **Green Good Design** and **ISO Green Transformation Awards 2024**.

**10 sustainability related**

R&D projects

**€399,198**

sustainability-focused R&D budget

## Investing in our planet

**12.5 MWp**  
Renewable energy installed capacity

**413,488 MWh**  
Total energy consumption

**66,797 MWh**  
Green electricity procurement

**93%**  
Share of renewable electricity consumed (procurement and own-generation)

**100%**  
Share of renewable electricity consumed in Turkey

**92%**  
Share of recycled waste

## Key features

**SmoothFlush**  
VitrA SmoothFlush WC pans have no rims or openings that might harbour harmful bacteria or microorganisms. This makes VitrA SmoothFlush WC pans much easier to clean and offers maximum hygiene

**VitrA Hygiene**  
Coats all VitrA ceramicware and the silver ions in its formula inhibit the growth of harmful bacteria by 99.9%

**Rim-ex**  
The smoothly attractive rimless WC pan Rim-ex prevents germ proliferation and offers superior hygiene thanks to its innovative design. Tests show Rim-ex is 95% more hygienic as compared to standards WC pans

**Accessible**  
VitrA bathroom products designed to accommodate seniors and people with additional needs are wheelchair accessible and provide enhanced convenience in the bathroom

**Concealed installation**  
The recessed installation detail and screws at the sides of standard wall-hung toilets are taken into the interior of VitrA wall-hung WCs. This leaves nowhere for dirt to hide and simplifies the cleaning of the entire surface

**Soft-close seat**  
Special hinge for silent and soft-closing

**Quick-release seat**  
The screw-free fitting of the quick-release VitrA WC seat makes it easy to remove and refit after cleaning

**Comfort height WC**  
Taller for ease of use

**Space-saving**  
Short-projection, wall-hung, concealed installation

## Accreditations

**Water Regulations Advisory Scheme**  
Promoting sustainability, preventing contamination

# WCs

A wide range of choices available, you can choose between close-coupled, wall-mounted and back-to-wall WCs.

Made from quality craftsmanship, our ceramics are built to last, with long-lasting materials.

<b>NEW</b> S20	12

# NEW S20

Modern style, everyday comfort.

The new Vitra S20 range of toilets combines flexibility, practicality and timeless style to bring effortless design to every bathroom.

Available in both round and square forms, S20 balances modern aesthetics with everyday functionality - delivering Vitra design expertise and lasting performance without compromising on value.

**Available in:**

Close-coupled  
see page 18

Back-to-wall  
see page 20

Wall-hung  
see page 27

**Choose your style**

**Round**

Soft curves create a more relaxed, timeless look suited to a wide range of bathroom interiors.

**Square**

Clean lines and defined edges deliver a sharper, more contemporary aesthetic.

**SmoothFlush**

Vitra SmoothFlush WC pans have no rims or hidden openings where dirt and bacteria can build up, making them easier to clean and more hygienic.

**Vitra Hygiene Glaze**

A unique antibacterial glaze providing 99.9% protection against surface bacteria for long-lasting hygiene performance.

# Aquacare integrated bidet WC

The functionality of a standard toilet combined with the refreshing cleanliness of a bidet.

Featuring an integrated thermostatic bidet mixer valve and innovative air-breaker technology, it eliminates any risk of contamination to the drinking water supply. No electrical connections are required, with water controlled through standard plumbing systems.

**Integrated design**  
Once connected to the water there are no other installation steps required.

**Easy maintenance**  
The cover is included for maintenance purposes, one simple click of the removable cover for access to the integrated air-breaker.

**Easy cleaning**  
The diverter can be easily removed for cleaning.

## Tap hole

0TH = No tap hole      3TH = 3 tap holes  
1TH = 1 tap hole      4TH = 4 tap holes  
2TH = 2 tap holes

## Key features

### VitrA Hygiene

Coats all VitrA ceramicware and the silver ions in its formula inhibit the growth of harmful bacteria by 99.9%

### Space-saving

Short-projection, wall-hung, concealed installation

# Washbasins

This section contains all types of washbasins that can be chosen for your own bathroom, arranged in order of size for your convenience in choosing a basin.

Recycled	32
Wall-hung	34
Semi-recessed	40
Undercounter	40
Countertop	42

# Shaping the future

The world's first 100%\* recycled ceramic washbasin.

Our 100% recycled ceramic washbasin is a first in the industry and reflects our commitment to using less resources, minimising waste and maximising our contribution to the circular economy.

According to a study conducted by LCA (Life Cycle Assessment) and Vitra, the production of these basins minimises our environmental impact on global warming and fossil fuels by 30% per product. We believe that this pioneering innovation will set a new standard in sustainable design within the industry.

1 Recycled TV countertop bowl without overflow hole, oTH, 63cm, Matt Taupe (7993B066-0016) **£385**

2 Origin tall basin mixer for bowls, large, Brushed Nickel (A4255834VUK) **£460**

# Furniture

Choose from the contemporary S20 and Root furniture collections, designed to bring flexibility, practicality and effortless style to every bathroom.

From compact cloakrooms to larger family spaces, both collections offer intelligent storage solutions, durable materials and modern finishes to suit a wide range of interiors.

The S20 range is available in both round and square forms, combining practical storage with clean, contemporary styling.

The Root collection features three distinct furniture styles - Groove, Classic and Flat - across a wide choice of colours and finishes, with coordinated handle options to complement your brassware and accessories seamlessly.

<b>NEW</b> S20	46
Root Groove	56
Root Classic	62
Root Flat	68

# NEW S20

Effortless design for everyday living.

The S20 range of furniture and basins combines flexibility, practicality and contemporary style to bring effortless design to every bathroom.

Thoughtfully designed vanity units and basins maximise storage without compromising on elegance, while durable ceramic washbasins and modern finishes ensure the range is as practical as it is stylish.

Suitable for compact cloakrooms and larger family bathrooms alike, S20 offers intelligent solutions designed to optimise space and keep everyday essentials within easy reach.

## Available in round & square forms

**S20 Round**

Soft curves create a calmer, more organic feel.

**S20 Square**

Bold edges deliver a sharper, more architectural statement.

### Soft-close doors & drawers

Soft-close hinges provide a smooth and silent closing action for a refined everyday experience.

### Full extension drawers

Full extension drawers maximise storage space while improving visibility and ease of access.

### VitrA Hygiene Glaze

A unique antibacterial glaze providing 99.9% protection against surface bacteria for long-lasting hygiene performance.

The NSF certification mark represents that the product has been certified by one of the most esteemed independent certification organisations

# WC frames & flush plates

V-Fix frames provide stability for wall-hung toilets, concealed cisterns optimise your bathroom space, and VitrA flush plates add style.

Frames	84
Concealed cisterns	90
Flush plates	92

# Fit easily, forget confidently.

**10 YEAR** Concealed cistern product guarantee

**30 YEAR** Spare part availability guarantee

Weight-bearing up to 400kg...  
That's more than 5 washing machines

Fuss-free maintenance, keeping your walls intact...  
Simply remove the flush plate for access

Proven reliable after 200,000 flushes...  
Giving you around 90 years of flushing guaranteed

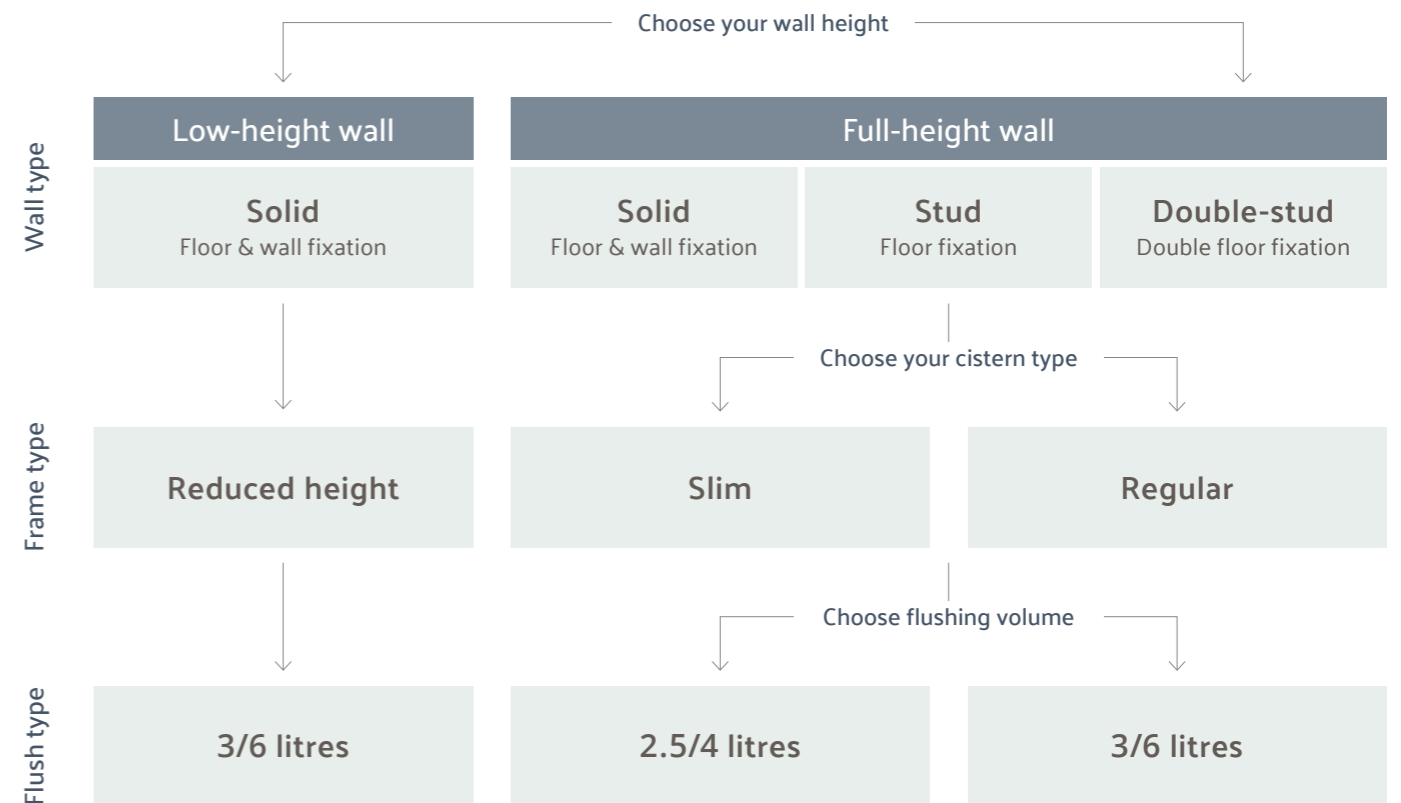

SCAN ME to find out more

V-Fix Frames are crucial for a modern bathroom, supporting and holding wall-hung toilets firmly in place without the need for expensive structural building work.

Whatever your project needs, Vitra's range of frames offers you complete flexibility. The reduced height frame is perfect when space is at a premium or the room has a sloping roof or low window. The frames can be used in solid, stud and double-stud wall scenarios and are both available with a choice of flushing volumes.

See page 92 for compatible flush plates

## Taps

0TH = No tap hole  
 1TH = 1 tap hole  
 2TH = 2 tap holes

3TH = 3 tap holes  
 4TH = 4 tap holes

**V-Bright**  
 Vitra uses only high-quality materials in production to ensure its fixtures are extremely durable. In addition, Vitra has an extensive colour selection thanks to its V-Bright coating technology

**V-SuperFix**  
 Easy installation is made possible thanks to the fixings that can be adjusted by hand in just 15 seconds, without the need for tools

**Touchless**  
 Controlled by a built-in sensor, our touch free technology ensures increased hygiene in the bathroom

## Water pressure Eco-friendly

**LP** Low (0.4 bar) **Water-saving**

**MP** Medium (0.4 - 1.0 bar) **Energy-saving**

**HP** High (above 1.0 bar) **Thermostatically controlled**

## Aerators

**Water-saving**  
 Water-saving aerators use significantly less water while maintaining a strong flow of 5 litres per minute

**Coin-slot**  
 Coin-slot aerators can be conveniently removed with a coin, making them easy to clean

## Accreditations

**Water Regulations Advisory Scheme**  
 Promoting sustainability, preventing contamination

**Class A Unified Water Label**  
 Unified Water Label indicates a products efficiency. Class A is awarded to products with the lowest possible water and energy consumption. Flow rates are measured under test conditions with a 3.0 bar water pressure, in accordance with European standards

**Green Building Certificate**  
 Green Building Certification is awarded to products that meet the criteria of eco-friendly features, lower environmental footprint and water consumption. They are recommended for projects aiming for a Green Building Certification

## Shower sprays Aqua showers

**Aquarain** **Constant temperature**

**Aquamassage** **Easy clean**

**Aquasoft** **Easy installation**

**Aquaspray** **SafeTouch**

**Aquastream** **Extendable column**

**Aquamist** **SafeTemp**

**Comfort control**

**No calc**

**Height modification**

## We vigorously test all our products, above and beyond the minimum standards of testing

- 1 Our brassware cartridges are tested nearly **2 million times** more than the European standard
- 2 We test against brassware corrosion for **720 hours**, compared to the average of **200 hours**, to ensure all of our taps keep their shine
- 3 Our shower hoses are tested for strength by tying on **1.8 kg** of weight and bending it **10,000 times**
- 4 Our durability testing is **10 times more** than the average, applying **50 bar water pressure** instead of just **5 bar**, to ensure they won't leak even after years of use

## Our promise to you

Vitra products are designed and built to the highest standards. As a result, we can proudly offer customers a **10 year warranty** on all Vitra brassware and a **5 year warranty** on all showers and accessories.

If you have a manufacturing fault with one of our brassware products within **10 years**, we will replace the working parts for free.

**10 YEAR VITRA WARRANTY**

Brassware & accessories | Showers

Water-saving buttons are included in both the overhead shower and hand shower, allowing you to adjust the spray and control the flow of water.

Look for the cool touch icon on some Aquaheat shower mixers to prevent the mixer from becoming hot.

# Choosing your shower system

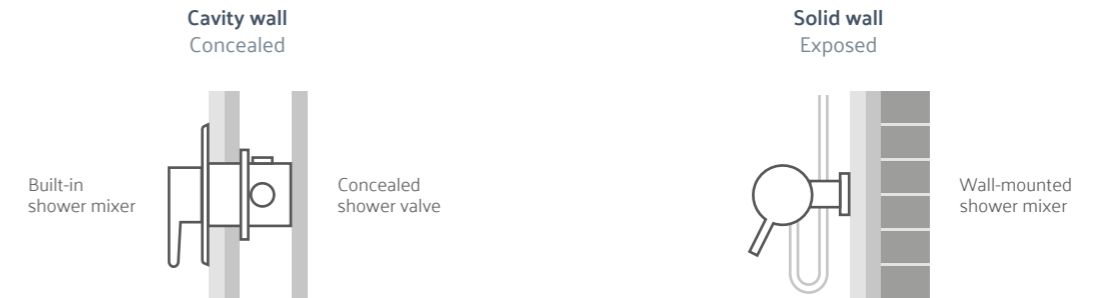

Choosing the right shower system is one of the most important decisions when it comes to designing your bathroom.

To keep things simple, here are three steps to help you select the right shower system for your bathroom.

## Step 1

Choose between a concealed or exposed system based on the type of wall you have

## Step 2

Choose your showerhead and/or hand shower

**1-way:** Shower mixer with adjustable water temperature control to a single outlet: hand shower or overhead shower.

**2-way:** Shower mixer with adjustable water temperature control can be diverted to two outlets: hand shower, overhead shower, or bath spout.

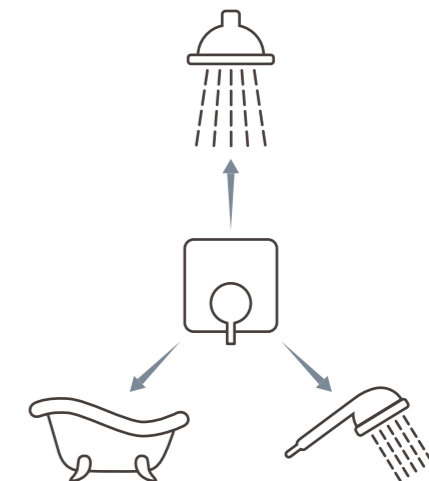

We have a wide range of showerheads and hand showers to match our bath, shower and basin mixers. From traditional to modern, round to square, powerful to water-saving, you can find one that perfectly matches the other elements of your bathroom design.

## Step 3

Adding a bath to your bathroom equation?

**3-way:** A diverter allows the flow of water to be switched from one outlet to another.

These are shown on page 129

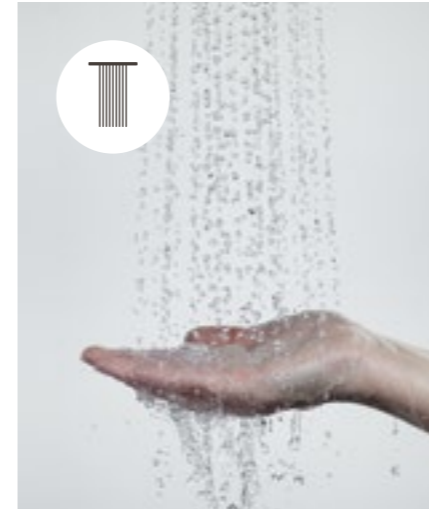

# Shower sprays

Whether you are starting or finishing your day, we have the perfect showering experience for you.

## Aquarain

Combining relaxing and energising streams that feel like raindrops to give a luxurious showering experience.

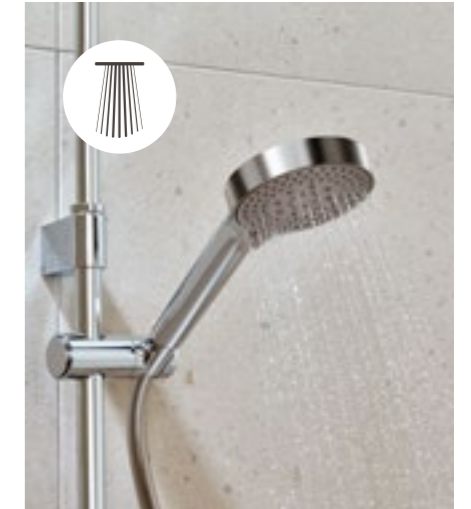

## Aquamassage

A stream of intense shower spray with massage function to relieve tension and relax the body.

## Aquasoft

This special water-softening technology relaxes and nourishes the skin and hair by retaining moisture.

## Aquaspray

This shower flow is the perfect way to start a new day or wind down for the evening with its refreshing effects.

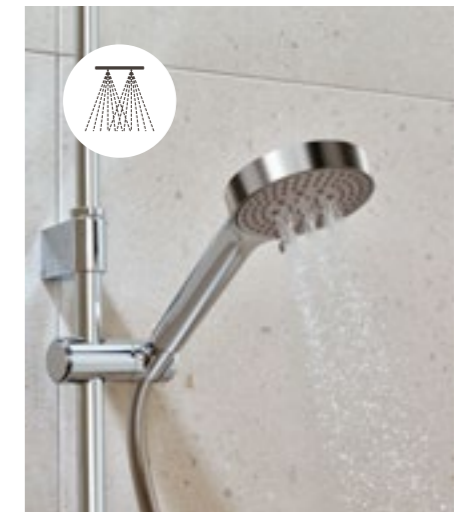

## Aquastream

You can enjoy a powerful shower experience with the direct flow of intense water that streams from your shower head.

## Aquamist

A revitalising misty flow glides gently over your skin for a relaxing feeling.

# Get the look

Create your dream shower effortlessly!

We've carefully curated options from our customisable shower systems to guide you through the process.
