

## Additional Quaylink Q3 journeys

Additional journeys on service Q3 will operate for home Premier League and Cup matches when the frequency of the normal Q3 is less than every 15 minutes, to ensure a 15 minute service is maintained.

### **Saturday 1245 or 1500 Kickoff**

No additional services are required as the normal Q3 operates.

### **Saturday 1730 Kickoff**

Additional journeys will operate only after the match, as specified in schedule (a)

### **Weekday evening matches (1945 or 2000 kickoff)**

Additional journeys will operate only after the match, as specified in schedule (b)

### **Sunday Matches**

Additional journeys will operate on service Q3 for any Sunday or Bank Holiday match. This will consist of a sufficient number of journeys to provide a bus every 15 minutes from 2hrs before kick off; and journeys after the match for one hour after the final whistle. The schedules. Other Sunday or Bank Holiday kickoff times will follow the same pattern.

No additional buses run for pre-season friendly matches.

In the event of extra time or penalties post-match departure times will be delayed.
