Mainline Rail

Birmingham is currently served by the three main rail stations, New Street, Moor Street and Snow Hill - all will be within 20 minutes walk of Timber Yard.

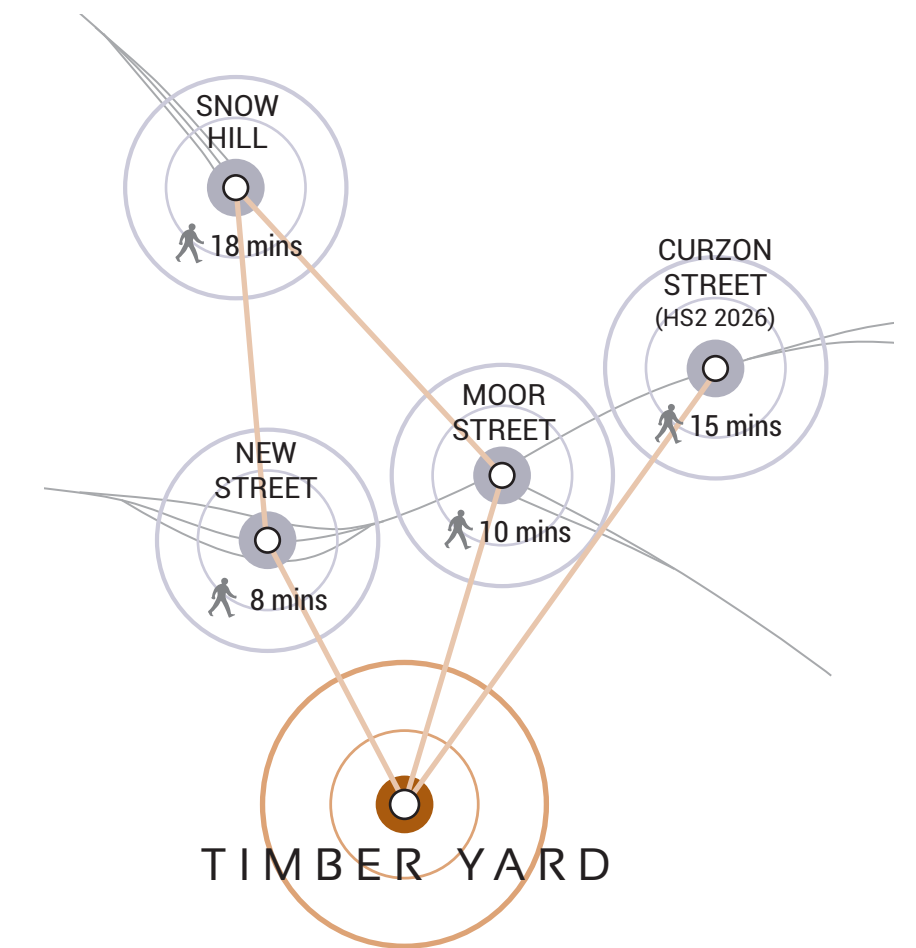

New Street, the nearest, is the national hub for cross country routing and a major destination for Virgin train services from London Euston, Glasgow Central and Edinburgh Waverley. Grand Central, one of the city's flagship retail centres is located immediately above New Street station with fully integrated concourses.

Motorway Travel

Being centrally located in the UK, Birmingham has a superb network of interconnecting motorways within close proximity of its city centre - with conceptual plans for a further western orbital link stretching from the M5 to the M6 and M54 junction north of Wolverhampton.

Drive times across the Midlands are fast, direct and impressive with typical journey times of 30 minutes to Coventry, 55 minutes to Leicester and London in little over 2 hours.

Air Travel

Birmingham Airport is located around 6 miles from the city centre or just 10 minutes by train from Birmingham New Street to Birmingham International rail station.

The airport currently carries around 13 million passengers a year and has goals to achieve 20 million a year with its HS2 link up in 2026. Residents at Timber Yard will have some 300 regional and international destinations on their doorstep served by a host of major airlines.

High Speed Connectivity

When HS2 enters service in 2026, 21st Century travel will become reality - with journey times between London and Birmingham reduced to 49 minutes, two brand new interchanges showcasing a new era in rail connectivity and with it, an accelerating masterplan for economic growth, unparalleled in recent times. When fully implemented, HS2 will halve journey times between Birmingham and Leeds (to 57 minutes) and between Birmingham and Manchester (to 41 minutes). Future plans will then see high speed connections linking Newcastle, Edinburgh and Glasgow.

Residents at Timber Yard will be within convenient walking distance of virtually all the city's principal landmarks, attractions, major shopping centres and transport links. Birmingham's newest and most futuristic green space - East Side City Park, lies within 17 minutes stroll of the apartments, providing 14,300 square metres of landscaped parkland, waterways and public realm.

Typical walking times will include:

The Arcadian Centre	3 mins
Chinatown	3 mins
Birmingham Hippodrome	3 mins
Bullring and Selfridges	8 mins
New Street Interchange	8 mins
Grand Central	10 mins
Victoria Square	14 mins
The Mailbox	14 mins

Birmingham is all about bikes and traffic free cycling routes that take in canal tow paths (about 35 miles), dedicated routes to numerous destinations and simply getting around along many of its cycling lanes. The city now has five 'Brompton Docks' where you can hire a foldable Brompton Bike - great to take on trains and buses, keep as long as you want and even return in another town or city.

Typical cycling times will include:

The Custard Factory	4 mins
Eastside City Park	5 mins
The Cube	6 mins
Birmingham City University	6 mins
ICC & Symphony Hall	8 mins
Barclaycard Arena	10 mins
Broad Street	10 mins
Brindleyplace	11 mins

Today, hopping on the Midland Metro light rail line is an efficient, clean and fast way to traverse the city centre, with trams running every 6-8 minutes and every 15 minutes during evenings and Sundays. The line currently covers 13 miles and carried 6.2 million passengers during 2016-17. The entire network is seeing phased extensions and the introduction of battery power - relieving the need for overhead electric lines, and providing Birmingham with another accolade of being first in the UK to do so.

The Alliance has now committed to transforming the Metro system with a £1.3 billion investment and programme to extend the network by a further 20 miles over the next decade.

ON THE TOWN

If you're looking for star-filled theatres, the hottest night spots, fabulous cuisine and some of the most fashionable haunts in the UK - you need look no further.

Birmingham has it, lives it, serves it and now delivers a cultural palette comparable to London's West End, a diversity of entertainment to suit all tastes - from the Royal Ballet to its world famous Balti Triangle, from a vibrant arts scene, international film festivals and comedy clubs to the suave champagne and cocktail bars serving first class fizz at the Mailbox or The Cube.

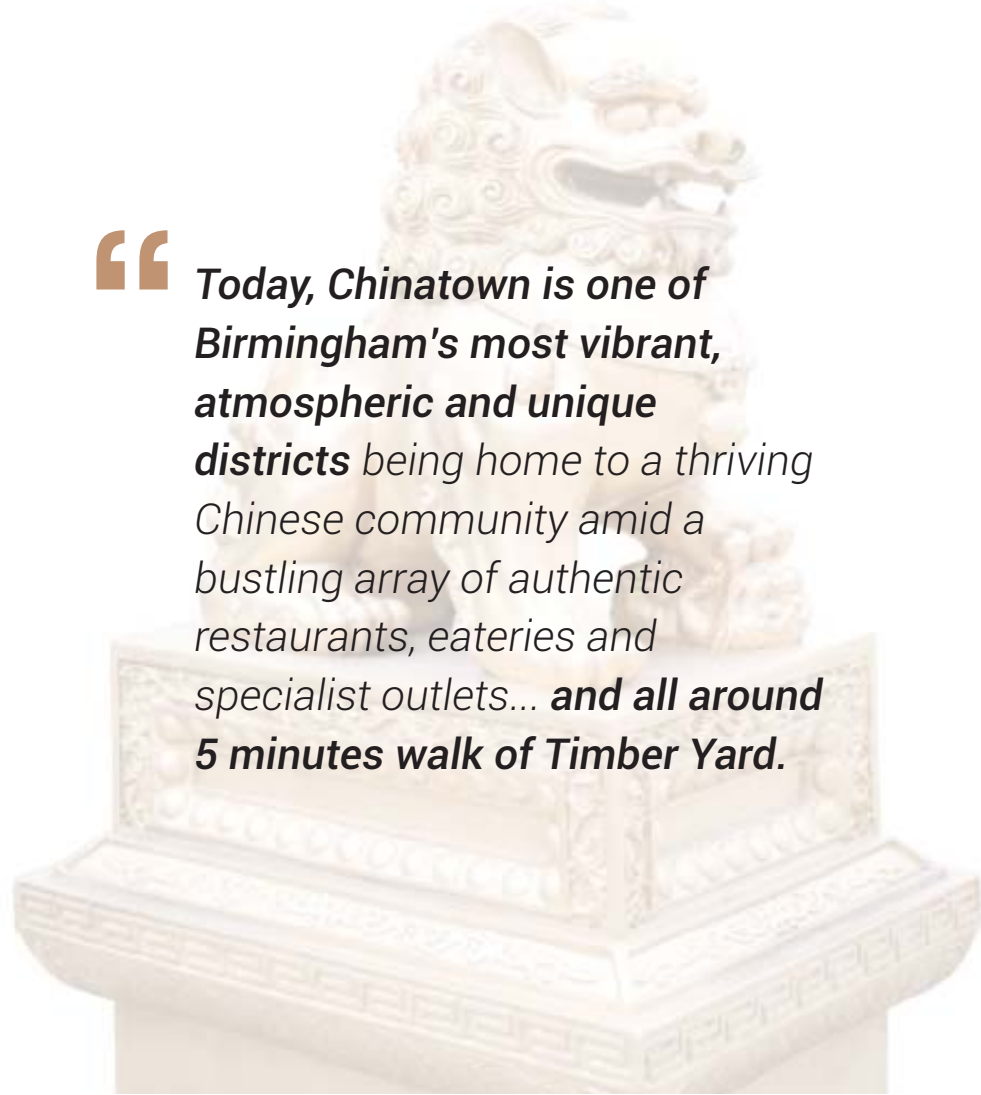

Birmingham's celebrated Chinese Quarter will lie a stone's throw from Timber Yard, offering its residents a diverse gastronomic concentration of fine restaurants, cafés, bars and eateries, together themed by authentic architecture and a landmark seven storey granite pagoda set amid traditional gardens and sculptures.

The Arcadian, one of the city's top entertainment venues, is located in the heart of this vibrant quarter - where relaxed dining seamlessly blends with the very present party atmosphere.

CHINA TOWN

“ Today, Chinatown is one of Birmingham's most vibrant, atmospheric and unique districts being home to a thriving Chinese community amid a bustling array of authentic restaurants, eateries and specialist outlets... **and all around 5 minutes walk of Timber Yard.** ”

THE GAYBOURHOOD

Timber Yard lies directly adjacent to Hurst Street – which now forms the focal point of Birmingham’s vibrant and culturally diverse Gay Village.

The street itself is host to many LGBT-friendly bars, restaurants and clubs, epitomising the gay district which has a thriving nightlife in this celebrated quarter of the city.

The area has now greatly expanded from its original Nightingale Club and Windmill Bar to gain important city status during the 1990’s when music venues, sports, cabaret bars, clubs and shops grew in numbers to give to the area a more defined LGBT village boundary. Today, Hurst Street hosts some of the biggest pride parties in the city.

THE FINE ART OF RETAIL EXCELLENCE

Given the Bullring has been the city's historic market centre since 1166, it is perhaps little surprise it is now home to some 140 stores including the flagship malls of Selfridge's and Debenhams.

Retail excellence abounds with brand name shopping at the Mailbox and Grand Central, while a host of independents and boutique outlets give an ever present buzz to Birmingham's bustling shopping streets.

The city, in short, is a diverse retail wonderland where farmers markets, local craft galleries and world renowned jewellery shopping go hand in hand with the likes of Harvey Nichols and John Lewis.

Education

Today, Birmingham is the UK's largest centre of higher education outside of London and home to five universities, two of which rank among the top 100 in the QS World University Rankings.

The most prolific, Birmingham University, Birmingham City University and Aston University, all lie within a 10 minute drive of Timber Yard, together with numerous schools and colleges providing education for all ages.

Birmingham has a student population in excess of 73,000 across its principal universities - with a combined graduate retention of 49% - the second highest outside of London.

Heritage

Spanning 1400 years of growth, Birmingham has evolved from Anglo-Saxon origins into a capital city with a rich legacy of historic milestones including the industrial revolution, the emergence of the automobile industry and later that of a major European convention centre and shopping destination.

The Jewellery Quarter dates back over 250 years and forms an integral part of its modern day roots with English Heritage citing the Quarter as 'a unique historic environment in England, which has few, if any, parallels in Europe'.

The evidence of the city's illustrious evolution through the decades is ever present today and can be seen in public sculptures, art, museums and galleries across its centre.

Recreation

Being one of the UK's greenest cities, Birmingham boasts some 8000 acres of public open space, over 570 parks and the largest urban nature reserve in Europe.

Its sporting status on the world stage can be summed up in one word - Edgbaston, the home of test match cricket for over 100 years.

For residents at Timber Yard there is a plethora of recreational pursuits nearby including tennis, golf, sailing, jogging, cycling or just relaxing in some of the finest urban parkland and unspoilt green space that dominates the district.
