## UNIVERSITIES

The University of Lincoln has expanded significantly and now has a population of over 17,000 students. It is currently ranked 34th in the Guardian's University League Tables 2023 and has recently expanded its medicine department to keep up with surging demand from students. The University is expected to continue its rapid growth over the next decade.

Bishop Grosseteste University has also experienced growth in recent years and is rated 4th for Teaching Quality in the UK (The Times and Sunday Times Good University Guide 2023). BGU has also seen a four-fold increase in research income as of 2021 which is a positive indicator that the university is set to grow further thus influencing a growing student population which will require housing solutions now and in the future.

## Method of Sale

The subject is for sale by way of Private Treaty. However, the landlord and his agent reserve the right to conclude marketing by way of an Informal Tender process.
