DILIGENCIA consulting

Oxford based Diligencia is a growing corporate investigations company specialising in the Middle East & North Africa regions.

We are currently recruiting for a

BUSINESS RESEARCHER / ANALYST

to join our busy team, providing business intelligence and anti-corruption driven due diligence to clients investing in the Middle East and North Africa regions.

Your role will involve the collation of information from human and public record sources, putting our findings in the relevant commercial, social and political context, and highlighting areas of concern. Revise and edit reports written by other researchers who may or may not be native English speakers and ensure reports can be understood by non-specialist readers without compromising the integrity of technical writing on complex subjects.

Outstanding research and analytical skills are essential, as is a strong command of grammar and a flair for communicating (both verbally and in written form) complex findings.

You will be a strong team player and will be expected to manage multiple assignments of a diverse nature, managing the expectations of extremely demanding clients. You will have proven experience of working in the Middle East and North Africa region, ideally linked with business research or due diligence and business writing. Knowledge of Arabic & French is essential.

To apply please email your CV and cover letter. 3c9hq@users.dailyinfo.co.uk
