JOB OFFERS

Jacobs Babbie Forensic Services is a specialised team within a larger consultancy firm which provides expert advice and assistance to clients and/or their lawyers on difficult and frequently contentious technical problems when projects are, or are likely to become, involved in legal proceedings.

An excellent opportunity has arisen for a confident, enthusiastic, resourceful and self-motivated individual to join us full-time as a Research Assistant working in our Tower Bridge offices, London. The position involves preparing initial summary analyses, conducting evidential research and drafting complete technical reports. No previous experience is necessary in a construction, engineering or legal environment.

You have an exceptionally wide range of intellectual and practical interests and at least a BA - preferably a first - in history, philosophy, English, law, classics or similar (science/engineering degrees, and/or upper seconds may be acceptable from exceptional candidates, with good A-level points in essay-bound subjects).

To apply, please send your CV and salary expectations to John.Wasilewski@Jacobs.com or to John Wasilewski, Jacobs Babbie 224-226 Tower Bridge Rd, London, SE1 2UP. More details of this full time, permanent appointment are available on request.

THE LEMON TREE

SOFTWARE DEVELOPMENT JOBS. Are you about to finish an Oxford Computer Science degree? Would you like to work for an innovative Oxford software company developing cutting-edge XML systems in a young, relaxed environment? If so, send your name, college and the date when you expect to be available to cv@decisionsoft.com. Successful candidates will have a passion for all things technology-related and will have pursued their interest in programming significantly beyond the requirements of their degree; in particular, they will have a good grasp of practical OO techniques (preferably in Java). Elite table football skills optional.

VOLUNTEERS NEEDED
VOLUNTEERS NEEDED FOR MALARIA VACCINE STUDIES. Two to three million people in tropical areas (including travellers to these) die each year of malaria and there is currently no vaccine available. New vaccines against this disease have recently been developed in Oxford and elsewhere. Would you be willing to assist with studies of these vaccines that are currently in progress at the Churchill and John Radcliffe hospitals? We are seeking healthy volunteers, aged 18-50 years, who have not had malaria previously. If you might be able to help by volunteering please contact the Malaria Vaccine Trial Group: Telephone: 01865 857 401 (answer phone) E-mail: malaria@well.ox.ac.uk. We will provide reimbursement to you for your participation, including allowances for time spent on the study and travelling expenses.

253 BANBURY ROAD SUMMERTOWN OXFORD OX2 7HN
01865 311660

MAY MORNING INFO
Singing from Magdalen Tower will be at 6am for 7 minutes, as ever.
This year, **Magdalen Bridge will be closed** from 3am - 9am (according to the yellow signs near the bridge, but not the council's website, which says 4-7.30am). This includes the area from the east side of Magdalen College tower to the Plain. There will be access for 7000 people to a "Controlled Zone" (probably Magdalen Bridge - Longwall Junction) within earshot of the choristers.
Longwall Street, the High Street and Merton Street may be **closed to vehicles** for any portion of the time between 3am and 9am - the authorities are going to play it by ear.
Morris Dancing will occur at 6am in the High Street and move down to Radcliffe Square, in Broad Street between 6am and 7am and in North Parade at noon (if the dancers aren't legless by then, ho ho). They then generally repair to the King's Arms and have been known to give a repeat performance inside the pub after a few beers. The Flowing Well in Sunningwell Village say that there may be Morris dancers there on Monday from 1pm.
