

Conditions for participating in special offers

1. Users may increase their Coins by taking part in special offers from betting houses affiliated to Playfulbet. However, in order to participate in these special offers, the following conditions must be met:

- Be of legal age.

- You have not previously registered as a user in the betting house affiliated to the special offer in which you wish to participate.

- Make sure that registration with the affiliated betting house is completed using the link offered by Playfulbet for each specific promotion.

- Verify that the computer or equipment used by the User to access the special offer has not previously installed affiliation cookies from the same betting house, which may subsequently make it difficult to discern the cookies from the Playfulbet platform of other platforms.

- Not having enabled any type of ad blocker (e.g. Adblock) that hinders the traceability of cookies between the betting house affiliated to the promotion and the Playfulbet platform.

- Comply with all steps and requirements of the special offer (e.g. deposit or minimum bet).

2. The User is solely responsible for ensuring that each and every one of the above requirements are met. In the event that the User fails to comply with any of the above requirements, Playfulbet will consider that the conditions of the special offer are not met and therefore will not offer the User any kind of benefit or reward.
