Where to Live During Your Time at Leiths School of Food and Wine

Leiths School of Food and Wine is located in a leafy residential area in West London, near Chiswick, Shepherd's Bush and Hammersmith.

Students love the fact that the rent is a little more reasonable in this area than in central London, yet many restaurants and food markets are just a few tube stops away.

Leiths does not provide student accommodation. However we have a list of local rental properties near that the School that is updated regularly. Please ask for a copy.

Below you'll also find details of student halls that are within easy commuting distance.
