This large space provides access to the two double bedrooms and bathroom whilst an open banister staircase, rises to the first floor. A large understairs cupboard provides a storage solution and leaves the space in the hall ideal for a study area or an additional reception room. At the rear of the hall we find the bathroom which is fitted with a three piece suite comprising our bath with shower over, a w/c and wash basin set into a large vanity unit which provides storage below. The first of our double bedrooms is set to the rear over looking the enclosed courtyard whilst at the front of the property we find our second room looking onto the gardens and boasting a large built in wardrobe. Climbing the stairs the space that this property offers becomes far more apparent. Our open plan living area measures just over 20ft x 20ft.
