To the ground floor is a large lounge, the first of five double bedrooms, and a spectacular newly fitted kitchen / breakfast room. The kitchen is high end with attractive taupe wall and base units, high spec appliances and a tiled cooker splashback with a generous area beyond for furniture making this a very social room ideal for sitting down for meals together as well as entertaining family & friends.

To the lower ground floor is an impressive fifth bedroom or family room that opens onto the rear garden. Whether it's an extra bedroom or extension of the living space, this room could be a cinema room, gym, studio or perfect for a teenager wanting a bit of separation from the rest of the family!

On the first floor are three more double bedrooms, the master of which has a beautiful dual aspect flooding the room with sunlight. You have views over the City roof tops from the rear of the house and a refitted family bathroom on the first floor also. Two bath / shower rooms gives you two toilets which is essential in a house of this size and means those morning queues will be a thing of the past!

Outside the house is a vast sunny private rear garden with side access as well as access from the house. It is mainly laid to lawn with a patio area and a variety of mature trees, bushes and shrubs giving it an extremely tranquil feel for such a central location. It is also securely enclosed making it safe for children and pets to play out in.

To the front of the house is a grassy front garden with high hedges for privacy and a driveway leading down to the garage. The garage still has a vehicle inspection pit so is ideal for any mechanics or car enthusiasts. Viewings are highly recommended to fully appreciate everything this magnificent home has to offer!
