Part Exchange available! McEwan Fraser is delighted to present this deceptively spacious three bedroom house to the market. The property offers ample living space over two floors and there is scope to further extend and create a fourth bedroom by conversion of the loft storage.

Internally, the accommodation is focused towards a naturally bright and particularly generous lounge. The ample floor space on offer gives tremendous flexibility for a variety of different furniture configurations. A breakfasting kitchen sits immediately behind the lounge and benefits from a full range of base and wall mounted units. There is plenty of prep and storage space for the aspiring chef and space is provided for a range of free standing appliances. The kitchen also opens onto a low maintenance rear garden and patio. The ground floor also includes two generous double bedrooms and a chic modern bathroom with a contemporary white suite, shower over bath and full tiling. Climbing the stairs, you find a large master bedroom and two storage rooms which could be readily converted into a fourth bedroom and a bathroom.

For extra warmth and comfort, the property enjoys gas central heating and double glazing. There is also off street parking to the front.

Internal viewing highly recommended.
