37 Main Street, North Frodingham, YO25 8LA

A quite delightful and very deceptive inner terrace cottage located within a popular village setting providing surprisingly spacious accommodation that includes three first floor bedrooms along with bathroom. Immediately upon entering the property there is a feeling of space with the first room being a very characterful lounge featuring a solid fuel stove and having provision to accommodate a table, if necessary.

This gives way to a fitted kitchen, again, spacious enough to accommodate a breakfast table, if required, the kitchen itself being fitted with a range of integrated appliances.

Alongside the three bedrooms on the first floor is a delightful bathroom featuring free-standing bath with complimentary fittings.

Externally, there is an enclosed area of garden offering privacy.

NORTH FRODINGHAM

The B1249 passes through the village with its main street lined with houses, cottages and public house. The village cross is located at the junction of the road to Brandesburton and outside the attractive village school is the war memorial. Just outside North Frodingham is the Church of St Elgin which, though restored in the 19th Century, has its original Norman font.
