The property is entered through a part-glazed stable-style door, with a letterbox window above and an adjoining window allowing plenty of natural light into the spacious breakfast kitchen. The kitchen is fitted with a good range of wall and base units complemented by granite worktops, together with a built-in four-ring Electrolux gas hob and oven, extractor hood and Electrolux dishwasher. A large Armitage Shanks ceramic sink with mixer tap, butcher's block and open shelving add further character. There is ample space for a dining table and chairs and a pantry adds additional useful storage. Natural wooden flooring runs throughout the property, creating a warm and welcoming feel.

The impressive dual-aspect living/dining room is a particularly attractive space, featuring exposed wooden beams and a log burner set upon a granite hearth. A recessed area provides an ideal space for a bookcase or shelving, while a useful understairs cupboard offers additional storage.

The utility room is a practical addition, with tiled worksurfaces and upstand, stainless-steel sink, plumbing for a washing machine and housing for the Keston boiler. Further storage cupboards and coat hooks make this a useful everyday space.

A wooden staircase leads to the first floor, where a door provides access to the garden. Character continues throughout the property with attractive stripped-wood panelled doors and deep windowsills, together with further useful understairs storage.

Bedroom two is a generous king-size bedroom enjoying lovely views towards Silverhowe and Grasmere, while bedroom three is a well-proportioned double room, currently arranged as a twin bedroom, with a window overlooking the garden.

The family bathroom is partially tiled and fitted with a bath with rainfall shower over, wash hand basin with storage beneath, WC and heated towel rail. A useful storage cupboard houses the Vaillant hot water cylinder.

A further wooden staircase leads to the impressive principal bedroom suite, incorporating a generous living area. This superb dual-aspect room features two dormer windows to the front and two Velux windows to the rear, creating a light and spacious environment. The vaulted ceiling with exposed beams and trusses adds to the sense of character and space, while an original feature fireplace provides an attractive focal point.

The en-suite shower room comprises a shower, wash hand basin with shelf storage beneath, WC and heated towel rail, with a window to the front.

The rear garden is accessed via the back door on the first floor and provides a lovely series of outdoor spaces from which to enjoy the surrounding landscape. A slate-chipping patio offers space for a table and chairs for alfresco dining, while steps lead up to a lawned area bordered by established shrubs. A pathway to the right continues up further steps to a second upper patio, where the elevated position affords fantastic views towards Silverhowe. This peaceful spot is perfect for enjoying a morning coffee or relaxing with a drink while taking in the Lakeland scenery.

The property also benefits from tandem parking for two cars, situated to the left-hand side of the lane just beyond the stone archway.
