About the property

East Cowes is an historic waterside town which is home to Osborne House. Architecturally inspiring, this area blossomed during Queen Victoria's reign and has in more recent years has benefitted from a multimillion pound regeneration project that now sees the area offering a fantastic choice of amenities; positioning itself as a very desirable and up and coming area. Mainland ferry links, access to West Cowes, a pretty little town which is also the sailing capitals of the world, offers a fair amount to see and do all year round.

In the town you will find a varied choice of amenities that include a newly built Waitrose supermarket, Dean & Reddyoff marina; where you can catch sight of a kingfisher or an oystercatcher and still be a short walk from shops and restaurants in the main town. Even better, enjoy a Sundowner overlooking the marina at the Lifeboat pub. All in all, if you are looking for a balanced lifestyle between the peace and tranquillity offered at this two bedroom bungalow offered chain free and the vast array of things to do and places to go near and around it then we truly believe this could be the one for you.
