Description

A charming two/three bedroom semi-detached period cottage with south facing garden, double garage and no onward chain. The property has undergone improvements by the current owner, with the recent addition of a new kitchen, utility room and bathroom, whilst still offering scope to be enhanced and extended further subject to the necessary consents.

The kitchen comprises a range of wall and base units with an electric cooker and hob, tiled floor and ample space for a dining table to accommodate four to six people. Adjoining the kitchen is a utility room, which has been newly fitted, has plumbing for white goods, a door out to the garden and a downstairs w/c. The sitting room has beautiful flagstone floors, a wood burner as the focal point along with a storage cupboard and a lovely aspect to the front. The formal dining room could equally be used as a further sitting room or a downstairs bedroom if desired. The room looks out to the front of the house overlooking a green and has a feature fireplace which could be opened up to an open fire or install a wood burner.

The first floor offers three bedrooms, two spacious double bedrooms with exposed wooden floors and the third bedroom being a generous sized single with a beautiful southerly aspect overlooking Tor Woods. The newly fitted bathroom comprises a bath with shower above, toilet, wash hand basin and heated towel rail. Bedroom two is used as access for bedroom three and the bathroom however it could be used as an additional sitting room and the formal dining room could be used as a downstairs bedroom.

Outside

A pathway leads from Bath Road to the front door. A double garage can be found at the rear of the property.

The garden is low maintenance with a hard-standing area and an area of gravel making it a perfect space for outside furniture and entertaining. The garden faces south and has a view of Tor Woods in the background.
