An exciting opportunity to purchase a charming stone and slate three-bedroom cottage, tucked away from the hustle and bustle of Kendal town centre within one of the town's historic yards. Arranged over three levels, this characterful home has retained many of its original features while being thoughtfully updated by the current vendor. The property is particularly rare for a town-centre cottage, offering an enclosed walled courtyard garden, timber deck and balcony-style seating area, creating a wonderful private outdoor space. The upper floor also enjoys views towards Kendal Castle.

Offering generous and versatile accommodation across three floors, the property would make an excellent permanent home, buy-to-let investment, or holiday let, as it is successfully operated by the current owners. Further details regarding the income are available by contacting the office. Offered for sale with no upward chain.

On entering, the living room is accessed from the first floor, with a timber staircase leading to the lower ground and second floors. The living room overlooks the inner courtyard and features a double-glazed window with deep sill and double-glazed door opening onto the timber deck. A stone fireplace with raised hearth and wood-burning stove provides an attractive focal point, complemented by an exposed beamed ceiling.

The living room is open plan to the kitchen, which is fitted with a range of wall and base units, tiled splashbacks and work surfaces incorporating a single-drainer sink. Integrated appliances include an oven and four-ring electric hob with concealed extractor, together with plumbing for a washing machine and space for a fridge/freezer.

To the lower ground floor, there are two double bedrooms, a spacious bathroom and useful storage cupboard.

Bedroom Two is a generous double bedroom overlooking the courtyard garden and featuring an exposed beam, while Bedroom Three is another double room with a door opening directly onto the garden.

The bathroom is particularly spacious and comprises a four-piece suite including a freestanding bath, large walk-in shower with rainfall showerhead, wash hand basin and WC. The room features part-tiled walls, tiled flooring, heated towel rails, exposed beam, window and recessed downlights.

Ascending to the second-floor landing, there is a useful built-in bookshelf and access to the principal bedroom and separate shower room.

Bedroom One is a superb large double bedroom with a vaulted ceiling and exposed trusses and purlins, creating a wonderful sense of character. Two double-glazed windows provide different aspects, with one overlooking the inner courtyard and the other enjoying views towards Kendal Castle. A mezzanine platform provides a versatile space, ideal for a dressing area, reading corner or place to relax.

The shower room comprises a three-piece suite including corner shower cubicle, WC and wash hand basin. There are part-tiled walls,

Situated in a tucked-away historic yard yet within easy reach of Kendal town centre, the property offers a wonderful combination of character, privacy and convenience.
