

Notes:

- Unaccompanied minors are not permitted to enter Queensland from a COVID-19 hotspot.
- You are not required to complete the Queensland Border Declaration pass if you are maritime crew entering under the Protocol for Maritime Crew, you are entering Queensland to respond to an emergency, eg national and state security officers, police, health or emergency services workers, or you are remanded in custody of a state or commonwealth law enforcement agency and are required to enter Queensland to comply with a court order or assist with an investigation.
- A separate declaration pass is required for each individual, including children, and all travellers in your party must be eligible to enter Queensland. If an individual seeking to enter Queensland is a child or a person with impaired capacity, a parent or guardian may complete this form on behalf of the person.
- Once your Queensland Border Declaration Pass is approved it is valid for a 7-day period or until your circumstances change, whichever is shorter. If you need to enter Queensland after this period, you will need to apply for a new Queensland Border Declaration Pass.

If not directed to stay in government nominated accommodation, where do you intend to stay while in Queensland?

1. Do you currently have COVID-19?

Yes — You are not permitted to enter Queensland.

No — Proceed to [Question 2](#).

2. In the last 14 days have you been a cleared case of COVID-19?

- Yes — You are not permitted to enter Queensland unless you are given an exemption by the Chief Health Officer.
- No — Proceed to Question 3.

3. In the last 14 days have you?

- Been overseas?
- Had contact with a person who is a confirmed case of COVID-19?
- Had symptoms consistent with COVID-19? (This includes a fever, cough, shortness of breath, sore throat, loss of smell or loss of taste)
- None of the above — Proceed to Question 4.

A Quarantine direction will be issued and you will be required to quarantine as per the *Border restrictions Direction*.

4. In the last 14 days have you been in a COVID-19 hotspot?

- No — You are allowed to enter without quarantining
- Yes — which of the following accurately describes your situation?

- You are a Queensland resident
- You are entering to comply with or give effect to a Court or Tribunal Order
- You are entering to fulfil shared parenting or child contact arrangements
- You are entering to participate in or assist with State or Commonwealth law enforcement investigation — Please note you must enter by air unless being transported by law enforcement.
- You are a student at a boarding school or higher education institution entering Queensland to receive instruction, or a parent or guardian accompanying a student who is a minor — Please note you must enter by air, or if a commercial flight to Queensland is not available from an airport within 300km of your primary place of residence you may enter by road or rail.
- You are entering to obtain specialist health care, or as a support person to a person obtaining specialist health care, that cannot be obtained at your place of residence — You will be required to provide evidence of the time and place that the specialist health care is to be provided. A Quarantine direction will be issued and you will be required to quarantine as per the *Border restrictions Direction*.
- You are a border zone resident who is a Queensland resident — You are allowed to enter without quarantining, but only if you did not travel outside of the border zone. You will be required to provide evidence that you reside in the border zone.
- You are a border zone resident who is a New South Wales resident — You are allowed to enter without quarantining, but only if you have not been outside of the hotspot border zone in the previous 14 days. You must not travel outside of the Queensland border zone except as permitted under the *Border restrictions Direction*. You will be required to provide evidence that you reside in the border zone.
- You are moving to Queensland to make it your usual place of residence — Please note you must enter by air. You will be required to provide to an Emergency Officer written evidence of where you will reside in Queensland. A Quarantine direction will be issued and you will be required to quarantine as per the *Border restrictions Direction*.
- You are entering to perform an essential activity — Proceed to Question 5.

Please note you must enter by air.

A Quarantine direction will be issued and you will be required to quarantine as per the *Border restrictions Direction*.

A Quarantine direction will be issued and you will be required to quarantine as per the *Border restrictions Direction*.

- You are entering via air to transfer directly to another flight to directly leave Queensland — You are required to either remain within the confines of the airport or quarantine until the time of your transferring flight to leave Queensland.
- You are entering via air at Coolangatta airport, having travelled from an airport other than Tullamarine Airport, and will transit directly by road to leave Queensland without leaving the vehicle — Proceed to the Declaration on page 6.
- Your sole purpose for being in a COVID-19 hotspot was to transit through an airport and you did not leave the confines of the airport — You are allowed to enter without quarantining, unless you transited through Tullamarine Airport, in which case a Quarantine direction will be issued and you will be required to quarantine as per the Border restrictions Direction.
- None of the above — You are not permitted to enter Queensland.

5. If coming to Queensland to perform an essential activity, select the essential activity below:

- Air or maritime crew entering Queensland in the course of their duties — You are allowed to enter but must comply with the Conditions of Entry for Persons Entering to Perform an Essential Activity and the Maritime Crew Protocol if appropriate. Air crew are required to quarantine unless a class exemption applies.

- National Defence, State Security and police who is a:

- Government official responsible for the safety of Australia or Queensland against threats such as terrorism, war or espionage and required physically in Queensland for those purposes — Please note you may enter by road, rail sea or air. You will not be required to quarantine.
- Military personnel required in Queensland to be on duty — Please note you may enter by road, rail sea or air. A Quarantine direction will be issued and you will be required to quarantine as per the Border restrictions Direction at a military base or military property.
- AFP, Australian Border Force or State or Commonwealth law enforcement required in Queensland to be on duty — Please note you may enter by road, rail sea or air from an approved airport. If you have been on COVID-19 related duties in the hotspot, a Quarantine direction will be issued and you will be required to quarantine as per the Border restrictions Direction. If you haven't been on COVID-19 related duties in the hotspot, you must remain isolated, to the extent reasonably practicable, from the general public for 14 days or until you depart, whichever is shorter.
- Federal, State or local elected representative performing official duties in Queensland — Please note you must enter by air. A Quarantine direction will be issued and you will be required to quarantine as per the Border restrictions Direction at your home residence.
- Consular officers or consular employees of a consular post of an overseas country travelling to Queensland to perform official duties — Please note you may enter by road, rail sea or air. A Quarantine direction will be issued and you will be required to quarantine as per the Border restrictions Direction.
- None of the above — You are not permitted to enter Queensland. If you are a Queensland resident you need to describe your circumstances as "Queensland is your usual place of residence".

You must comply with the Conditions of Entry for Persons Entering to Perform an Essential Activity

- Health or Emergency Services Worker who is a:

- Queensland Ambulance Service employee, paramedic, an officer of St John Ambulance Australia, RACQ Lifeflight crew, Royal Flying Doctor Service crew or other aeromedical services crew providing medical care or transport to a patient
- A person responsible for the retrieval, delivery or transportation of organs or tissue

You may enter by road, sea or air from an approved airport, but must comply with the Conditions of Entry for Persons Entering to Perform an Essential Activity. You are required to isolate from the general public in your vehicle or accommodation as much as possible.

- A person responsible for providing health support services or for the maintenance, resupply or repair of health services infrastructure critical to Queensland e.g. Australian Red Cross Lifeblood
- Fire or Emergency Services worker required to be on duty in Queensland
- Specialist health worker approved by the Chief Health Officer
- None of the above — **You are not permitted to enter Queensland.** If you are a Queensland resident you need to describe your circumstances as “Queensland is your usual place of residence”.

You may enter by road, sea or air from an approved airport, but must comply with the Conditions of Entry for Persons Entering to Perform an Essential Activity. You are required to isolate from the general public in your vehicle or accommodation as much as possible.

Transport and Logistics worker who:

- Is transporting freight to, from or through Queensland under a commercial freight operation - Note only persons essential for the delivery of freight to be aboard the vehicle
- Is transporting passengers by road or rail to, from or through Queensland under a commercial passenger operation or public transport operation - Note each passenger must be eligible to enter Queensland and complete a Queensland Border Declaration Pass
- Is providing logistics and support for the transport of passenger or freight which requires you to be physically present in Queensland to provide the logistics or support eg a specialist mechanic providing mechanical support for the transport of goods - activities that can be performed remotely such as administrative support or a manager attending a meeting are not essential activities
- None of the above — **You are not permitted to enter Queensland.** If you are a Queensland resident you need to describe your circumstances as “Queensland is your usual place of residence”.

You may enter by road, rail, sea or air from an approved airport, but must comply with the Conditions of Entry for Persons Entering to Perform an Essential Activity. You will not be required to quarantine.

Time Critical Specialist who is required to provide emergency services or continuity of government services, infrastructure or utilities critical to Queensland in the following:

- Construction, including construction of transport infrastructure
- Manufacturing
- Resources, as a critical resources sector employee
- Energy
- Agribusiness or commercial fishing, but not a seasonal worker
- Emergency services
- Continuity of critical government or government funded services, infrastructure or utilities

The services you provide are services that:

1. Cannot otherwise be obtained in Queensland;
2. Must be provided without delay; and
3. Require you to be physically present in Queensland to provide them or perform the necessary duty.

- All of the above apply — You are allowed to enter but must comply with the Conditions of Entry for Persons Entering to Perform an Essential Activity. You must be approved as a specialist worker by the Chief Health Officer and your employer must have a plan to manage preventing the transmission of COVID-19 amongst its employees and the community. You must provide evidence of your status as a specialist worker, the name of your employer, the location of the worksite or work camp and the location where you will be accommodated in Queensland. You must also confirm that you are entering Queensland to go directly to work. You may be required to quarantine as per the approval given by the Chief Health Officer of specialist worker status.
- None of the above apply
- Some of the above apply

You are not permitted to enter Queensland. If you are a Queensland resident you need to describe your circumstances as “Queensland is your usual place of residence”.

Conditions of Entry for Persons Entering to Perform an Essential Activity

Persons entering Queensland who are entering for an essential activity must be able to provide evidence of employment (eg government identification, consular or diplomat passport), status as a specialist worker or letter from Queensland Health or other relevant employer.

Persons must only remain in Queensland for the time necessary to carry out the activity for which they are entering Queensland and must:

- keep and retain records of close contacts commencing on the date of arrival in Queensland for a 14 day period or while they remain in Queensland, whichever is shorter; and
- provide the records to an emergency officer or contact tracing officer if directed to do so; and
- minimise contact with the community for a period of 14 days; and
- to the extent reasonably practicable, practise social distancing including by remaining at least 1.5 metres from other people.

A person is a close contact of another person if they are in the company of another person:

- within an enclosed space for a period of 2 hours or longer; or
- within 1.5 metres of the other person for a period of 15 minutes or longer.

The records that are required to be kept are:

- the name and phone number or email address of the close contact and the day, time and location at which the close contact occurred; or
- if the name and phone number or email address are not known or it is not reasonably practicable to obtain them, the day, time and location at which the close contact occurred.

A person who is a Queensland resident who arrives in Queensland from a COVID-19 hotspot is not performing an essential activity if the person's departure from Queensland was for a purpose unrelated to their work or duties (eg. personal or recreational purposes).

A person performing an Essential Activity will be required to quarantine in accordance with any requirements in Schedule 2 of the *Border restrictions Direction*.

Declaration

I declare that the information I have provided in this form is true and correct to the best of my knowledge. I acknowledge that knowingly providing false, misleading or incorrect information is an offence under the *Public Health Act 2005* punishable by a fine of \$4,004 or a court-imposed penalty of up to \$13,345.

I undertake to present for a COVID-19 test if I develop symptoms consistent with COVID-19 within 14 days of entering Queensland.

Signed: _____

Office Use Only - Date, Time and Approving Officer

Your personal information is collected in this document by, or for Queensland Health and Hospital and Health Services (via public health units) for the purpose of responding to a declared public health emergency under the *Public Health Act 2005* (Qld) and may be shared with other Government agencies for that purpose. Government agencies, including Queensland Health, may use your personal information for the purposes of enforcing current border restrictions, contact tracing, to contact you about your undertaking to get a COVID-19 test if you develop symptoms consistent with COVID-19 while present in Queensland, to contact you to provide additional information about your obligations in entering Queensland or for another purpose relating to COVID-19. Personal information provided by you will be securely stored and handled in accordance with the *Information Privacy Act 2009* (Qld). Personal information recorded in this document will not otherwise be disclosed to other parties without your consent, unless the disclosure is authorised or required by, or under law. For information about how Queensland Health or the relevant Hospital and Health Service protects your personal information, or to learn about rights to access your own personal information, please see our website at <https://www.health.qld.gov.au/global/privacy> and <https://www.health.qld.gov.au/system-governance/contact-us/access-info/rti-application>.
