

## Traveller Health Declaration

All the travellers must submit online health declaration form within 24 hours prior your departure to Maldives.

CHINESE

ENGLISH

Effective from 19th July 2020, as a preventive measure for COVID19, Health Protection Agency (HPA) mandates all locals and expatriate work permit holders (including dependents) arriving Maldives by sea and air must complete 14 days home quarantine.

Travelers who are arriving for a stay at a tourist resort or a liveaboard shall stay only at the resort or liveaboard vessel till departure.

Travellers who arrive in the Maldives except for tourists shall register for home quarantine through the "haalubelun" Web portal <https://haalubelun.hpa.gov.mv>, prior to starting travel to Maldives. If you have not registered in the web portal, you shall complete and collect quarantine document from health office at the port you arrive

Travelers arriving for a short term work based visit (less than 14 days) shall obtain special permission from HPA. Request for permission has to be made by the concerned/raised local agency.
