PUBLIC HEALTH ACT 1935

PUBLIC HEALTH (COVID-19 RESPONSE)
PUBLIC NOTICE NO. 31

I hereby give notice of the following orders, which were made pursuant to section 69(1)(c) of the Public Health Act 1935 for the protection of public health and publicly announced on 23 April 2021—

1. Any driver of a public service vehicle, or passenger in a public service vehicle who is 5 years of age or older, must wear a face covering in the proper manner while driving or travelling in the public service vehicle, with effect from 24 April 2021;
2. Any driver of an omnibus must ensure that all the passengers in the omnibus are physically distanced from each other, with effect from 24 April 2021;
3. Any driver of a minibus must ensure that all the passengers in the minibus are physically distanced from each other, with effect from 24 April 2021; and
4. Any business in Fiji must require its employees, and customers who are 5 years of age or older, to wear face coverings in the proper manner in order to enter the premises of the business, with effect from 24 April 2021.

For the purposes of these orders—

“face covering” means a face covering with at least 2 layers of material covering the nose and mouth of a person, which is secured by being tied around the person’s ears or head or looped around the person’s ears but does not include a face shield, face visor, scarf, ski mask, balaclava, bandana, turtleneck collar pulled up over the mouth and nose or face mask with slits, valves or punctures;

“minibus” has the same meaning given in section 2 of the Land Transport Act 1998;

“omnibus” has the same meaning given in section 2 of the Land Transport Act 1998; and

“public service vehicle” has the same meaning given in section 2 of the Land Transport Act 1998.

Dated this 26th day of April 2021.

I. WAQAINABETE
Minister for Health
and Medical Services

PUBLIC HEALTH ACT 1935

PUBLIC HEALTH (COVID-19 RESPONSE)
PUBLIC NOTICE NO. 32

I hereby give notice of the following orders, which were made pursuant to section 69(1)(c) of the Public Health Act 1935 for the protection of public health and publicly announced on 25 April 2021—

1. The order publicly announced on 20 April 2021 and published in Gazette Notice No. 509 of 2021 in relation to the closure of businesses that are not essential businesses in the Nadi and Lautoka Containment Area is rescinded, with effect from 4 am on 26 April 2021;
2. The orders publicly announced on 23 April 2021 in relation to the physical distancing of passengers in omnibuses and minibuses are rescinded, with effect from 4 am on 26 April 2021;
3. Any business in a containment zone that is not an essential business must close, with effect from 4 am on 26 April 2021;
4. Any owner of a public service vehicle in a containment zone must ensure that the public service vehicle only operates within the containment zone, with effect from 4 am on 26 April 2021; and
5. Any driver of a public service vehicle must limit the passenger capacity of the public service vehicle to 50 percent, with effect from 4 am on 26 April 2021.

For the purposes of these orders—

“containment zone” means a containment zone specified in the Schedule;

“essential business” means an essential service and industry as provided for in section 185 of the Employment Relations Act 2007, banks, insurance businesses, supermarkets, local produce markets, shops selling groceries, food and sanitary manufacturing plants, garbage collection services, sewerage services, private security services, roading services, port services and any other business declared essential by the Minister for Health and Medical Services; and

“public service vehicle” has the same meaning given in section 2 of the Land Transport Act 1998.

SCHEDULE
