

Regulatory publication issued by
Chief of Customs Authority (#18 for the year 2020)

Following the regulation issued with regards to the cautious procedures that should be enforced to counter fight the COVID-19, and in accordance to the measurements that the country is implementing to fight the pandemic issue.

All Central departments heads, the general managers, and managers of executive customs locations will adhere to the following:

- Working hours at all locations for inbound cargo from Saturday through Thursday of every week, and for outbound cargo all through the week, as of 0800 hrs. till 1630 hrs.
- Regulating the working shifts at the airports to be 2 shifts daily, taking into consideration the curfew hours enforced.
- All other locations will work as of 0800 hrs. till 1630 hrs.

Under all circumstances the work flow should be organized at all locations in accordance the staff conditions and in terms of the residential location of the staff.

Without compromising the integrity of the workflow, and in adherence to the regulations stipulated by the decree issued by the Egyptian Prime Minister number 719/2020, and as per this regulatory publications numbers 16 and 17 for the year 2020.

These regulations should be applied without fail, avoiding any legal consequences.

Chief of Customs Authority

Kamal Negm
