

## Entry of Crews - South Korea (As from 13 April, 2020)

### [For on-signer]

- All entrant crews must have 14 days self-quarantine in Government designated facility regardless of nationalities by its cost (KRW 100,000/day).
- Crews from Europe will be tested Covid 19 at the airport.
  - ✓ If the test result is positive, they will be moved to a hospital for treatment.
  - ✓ If the test result is negative, they will be moved to a facility for self-isolated quarantine.
- Crews from other countries (not Europe) will be moved directly to a facility for self-isolated quarantine.
- After 14 days, agent can pick up the on-signers directly from the facility and take them to the vessel by car.
- Considering that the self-isolated quarantine period is 14 days, we recommend that on-signer arrives in Korea at least 16-17 days before vessel ETA.
