

## **MAINTENANCE LIST 2053**

The following is not an exhaustive list. For illustrative purposes only, we hereby notify that the unit requires the following maintenance:

- interior furniture sanding due to sun exposure
- small damages to interior furniture
- main cabin: mirror and door damaged
- scratches on kitchen furniture
- living room: table scratched, carpet and leather couch stained, mirror degraded
- guest toilet: scratches on the door and mirror degraded
- guest starboard cabin: bulkhead underneath porthole stained
- windshield sealing degraded
- plastic air grid on deck damaged and light bezel must be checked
- During inspection scratches and decortication of gelcoat on hull sides have been detected. We suggest a polishing intervention on the entire hull and superstructures and a “spot restoration” on specific damaged areas.
- starboard engine indicates a wrong number of hours
- superstructure gelcoat with deep cracks
- restoration of dunnage teak rubber
- presence of oxidation in metal parts of interior area
- lower deck stair lights missing
- porthole lever missing in main and guest toilet and living room.
- Safety installations to be renewed
- Life raft must be revised
