SECTION 3 – MEDICAL REPORT

TO BE COMPLETED BY ALL APPLICANTS EXCEPT HOLDERS OF AN FIM INTERNATIONAL LICENCE. YOU MUST PAY ANY FEE CHARGED FOR THE MEDICAL EXAMINATION AND FOR THE COMPLETION OF THIS FORM

TO YOUR DOCTOR: Please read these guidance notes before filling in this section for the applicant whose name is on the front of this form. The person to be examined is applying for a licence to compete in motorcycle sport events. Particular care should be taken to ensure that the applicant does not suffer from any condition which might result in sudden loss of control of his/her motorcycle thus endangering other riders, officials and spectators. The controls of a motorcycle normally require the use of all four limbs. The applicant must be able to control his/her motorcycle under fierce acceleration and braking forces. Competition places both physical and mental demands on the rider.

- **LIMBS:** The applicant should have sufficient power, co-ordination and sensation in his/her limbs to maintain full control of his/her machine. An applicant with an organic or functional loss of a limb or part of a limb may be referred to an ACU Medical Panel and be subject to "on track" assessment.
- **DEAFNESS:** A licence can be issued to an applicant with impaired hearing, but not to an applicant with a disturbance of balance.
- **DIABETES:** A well controlled diabetic may be passed as fit to compete. They require evidence from their Consultant Diabetologist, or their own General Practitioner/regular medical attendant if they are not under consultant care, that the diabetes is normally well controlled, that they are not subject to hypoglycaemic or hyperglycaemic attacks (no significant episodes in preceding year), that they have no neurological or ophthalmic complication associated with diabetes and that they understand their diabetes, its monitoring and management.
- **CARDIOVASCULAR SYSTEM:** In general, a heart attack or serious cardio-vascular disease would normally exclude a rider from speed events. Special attention should be paid to blood pressure and cardiac rhythm disorders. In such cases a certificate from a cardiologist including the results of any test the cardiologist considers necessary, must be submitted with this Medical Report form.
- **NEUROLOGICAL AND PSYCHIATRIC DISORDERS:** In general applicants with a serious neurological or psychiatric disorder will not be granted a licence.
- **FITS OR UNEXPLAINED LOSS OF CONSCIOUSNESS:** A licence will not be issued if the applicant is an epileptic, has suffered a single epileptic fit or has suffered an unexplained loss of consciousness.
