Dear Parents / Carers,

It is our usual practice to take pictures of events happening at school and on school trips, therefore we are writing to all parents and carers to ask permission to use your child's/children's image.

We are aware that you may have done a permission slip in the past but as circumstances can change it is vital we keep this information up to date.

Images may be displayed in various formats for example

- School Displays
- School Website / Media
- Facebook – No child's name or details will be attached
- Local Media - including Newspapers.

Can you please complete the slip below and return to school if you **DO NOT** want your child / children to be included in any photographs. If we do not hear anything from you your child will automatically be included.

Yours sincerely,

S E Morgan
