Dear Parents/Carers

This is just a reminder that the school cannot let a pupil leave the premises with anyone other than those who have parental responsibility for that child, unless we have had prior written permission. This includes those children in Key Stage 2 who walk home.

If someone else will be collecting your child for any reason, or they are being allowed to walk home alone, please inform the school in writing with sufficient notice for the office to inform the class teacher.

I am sure you will agree that the safety and security of our pupils must be paramount and we appreciate your help and understanding in helping us to achieve this.

Yours faithfully

Sue Fellows
