3rd October 2018

Dear Parents/Carers,

Year 6 Science Event at Withernsea High School

Year 6 will be attending the science transition afternoon at Withernsea High School on Wednesday 24th October. Children will be leaving on the bus at approximately 12.30pm therefore we would ask for no home dinners that day. During the afternoon your child will be learning science through practical activities.

Withernsea High School would like to give parents the opportunity to take a look at the school so are inviting parents to attend from 4.00pm until 5.00pm. Children who are attending the later event will take part in another activity (either dance or sport) from 3.20pm until 4.00pm instead of returning to Inmans. You will then meet your child there at 4.00pm.

If you are not attending the later event, your child will be back at Inmans Primary School for 3.30pm. If you are going to attend the evening event, please complete and return the slip below to school as soon as possible.

Yours faithfully,

S Fellows
Headteacher
