Dear Parents/Carers,

MATHS – STAY AND REASON

In September we excitedly started a new scheme in maths called 'Maths, No Problem'. This scheme is fully endorsed by the Department of Education and is based on the model developed in Singapore.

We would now like to invite you to an information session to give you some background information about the scheme and how it is delivered within the classroom. This presentation will then be followed by a 'Stay and Reason' session in your child's classroom, where you will see the lesson delivered and take part in maths activities with your child.

We hope you will find it useful to see how maths is delivered and the expectations within your child's year group. Please see below the dates and times of the sessions:

- Wednesday 7th November - 9.00 am to 10.00 am - Blue Pod (Y1 and Y2)
- Wednesday 14th November - 9.00 am to 10.00 am - Green Pod (Y3 and Y4)
- Wednesday 21st November - 9.00 am to 10.00 am - Ochre Pod (Y5 and Y6)

Please complete the slip below, indicating how many adults will be attending each session. We look forward to seeing as many of you as possible. If you are not attending, there is no need to return the slip.

Yours faithfully,

S Fellows
