

Education Website or App Information Form

As part of the schools learning and resource tools we use online websites or apps to support our function as a school. You as a parent have a right to know how we use your child's information to support their learning. The majority of personal data collected and processed on our behalf is done so in the public interest in our role as a school, however for the purposes of transparency we are outlining below what information is collected.

To track progress or to get access to these resources, some websites/apps require an account to be set up – which in turn needs some basic details about the pupil.

As a school these are the following websites or apps that we use – the table also shows what amount of information will be collected about your child and a link to the privacy policy of each of these resources:

Name of website or app	Information collected	Privacy policy link
TT Rockstars	Pupil name, school, year group, class.	https://ttrockstars.com/page/privacy
Tapestry	Pupil name, school, year group, class.	https://tapestry.info/privacy-policy.html
Oxford Reading Buddy	Pupil name, school, year group, class.	https://global.oup.com/privacy?cc=gb
Purple Mash	Pupil name, email, school, year group, class.	https://www.purplemash.com/mashcontent/applications/security/privacy_usa/Purple_Mash_USA_Privacy_Policy.pdf
Seesaw	Pupil name, school, year group, class.	https://web.seesaw.me/privacy-policy
Lexia	Pupil name, school, year group, class.	https://www.lexialearning.com/website-privacy-policy

Some website or apps that we use within school are optional, and are used to enhance and expand learning opportunities. Other website and apps are mandatory, which we include as our public task as a school.
