Reading / Homework

At Inmans we encourage children to read at least four times a week. This is the main focus of homework and benefits children in so many ways. Older children can complete their own reading record, but younger children may need some help. Even 5 minutes a day can support fluency so please support your child by listening to them read.

Music Lessons

If your child is entitled to benefits-related free school meals, contact Mrs King in the office to discuss funding for music lessons.

FRONT ROW MUSIC

Front Row Music - Y1-Y6 - the most fun and engaging music lessons around for primary schools. Specialising in guitar and ukulele. They LOVE music and are on a mission to teach a new generation how to play by learning their favourite music! Y1 & Y2 - can learn to play Ukulele Y3, Y4, Y5, Y6 - can learn to play Ukulele or Guitar.

RockSteady - Y3-Y6 - provides the opportunity for your children to learn to play their favourite songs in their very own band with a choice of drums, keyboards, electric guitar, bass guitar or vocals. These fun and inclusive lessons are taught by highly trained, professional musicians who know how to inspire a life-long love of music. At the end of each term each band will perform in a concert for the school and their families, so you can see how far they have come.
