

2026 Spring Term Clubs

FOR YOUR INFORMATION: In order for all of our clubs to run efficiently and safely, we need to make you aware of the following procedures:

- To secure a place for your child please make the payment using Arbor. Places on clubs are limited and will be secured on a first come first served basis. No children will be allocated a place without prior booking. If children turn up for the club and have not been booked in then a member of staff will phone parent/carers.
- All pupils must go to the main hall for club registration for safeguarding purposes.
- Please inform the school office on 899485 if you have booked your child into a club and they will not be attending (unless they have been absent from school during the day) if children are signed up to a club and we have not been informed of other arrangements we will phone home if they are not there for club registration.
- Cancellation Policy – if a club cannot go ahead we will inform parents as soon as possible. Children will be able to go to late club free of charge and we will add a session to the end of the term if possible.
