

stave	Five lines where notes are placed to show their pitch.
note	A musical symbol that represents a pitch.
notation	A written system to represent musical sounds.
motif	A short, repeated musical pattern.

The stave

The diagram shows a five-line musical stave with a treble clef on the left. Five colored circles represent notes: C (red) on the first line, D (orange) on the second line, E (yellow) on the third line, F (green) on the fourth line, and G (blue) on the fifth line. Labels with leader lines identify the 'treble clef', a 'line' (the third line), and a 'space' (the space between the fourth and fifth lines).

grumpy	silly	lazy	cheerful
 • Use notes D F E • Getting lower • Loud	 • Use notes C D E F G • Getting higher and lower • Fast speed	 • Use notes C D E F • Moves in steps • Slow speed	 • Use notes C E G • Getting higher • Move in leaps
