

CHRISTMAS TREES FROM ORBIS

Deliver, Erect, Decorate and Collect Beautiful Christmas Trees

Why order your Christmas tree from Orbis?

- **Convenient:** Your tree is ordered from the convenience of your office and delivered directly from the grower to your office: no hassle, no mess.
- **Fresh:** Trees sold by tree lots are often cut anywhere from 4-6 weeks prior to their sale. To ensure the freshness of your tree it is hand-selected, freshly cut and shipped within days.
- **Quality:** The Christmas Tree Company guarantees premium or grade one Christmas trees. This is the highest grade of Christmas tree based on the following characteristics: fresh, clean, healthy, well-shaped and density.
- **Eco-friendly:** Fresh Christmas Trees benefit the environment (one acre produces enough daily oxygen for 18 people) and are recyclable.
- **Safe:** Fresh trees are safe trees.
- **Healthy:** Fresh trees do not have harmful lead and PVC emissions.
- **Support Orbis:** At least 25% of every Christmas Tree sold by Orbis will go towards our sight-saving work in Ethiopia.

Delivery:

Delivery starts on **Wednesday 21 November until Friday 7 December**. Please note if you have any special requirements please let us know and we will try our best to accommodate your needs.

Decorations:

Each tree will be decorated with lights and coloured decorations. Please note if you have any special requirements let us know and we will try our best to accommodate your needs.

Care:

With proper care, you can maintain the quality and freshness of your tree. It is recommended that you the water in the stand topped up and keep the room temperature at or below 20C.

Collection:

Collection are available by arrangement on **Friday 21 December, Thursday 27 December and Friday 28 December**. **All other collections will be from Wednesday 2 January to Friday 4 January** and you will be contacted on your assigned collection day. Please note if you have any special requirements please let us know and we will try our best to accommodate your needs.

During the delivery and removal process, the tree is placed in a custom made wrapping, to ensure the area over which the tree has to be carried is protected. In office environments this process is designed to protect lifts, stairwells and common areas. All of the Christmas trees that we collect are recycled and used for mulch.
