

We are very pleased to let you know that there is now a free app available for you to download which alerts you to any important news that is updated to our website.

If you would like to take advantage of this then please follow the simple instructions below:

For Iphone, Ipod & Ipad

Go to the App Store and download School Updates (this is free to do and use).

Open and then go to add school. Type in the school postcode RG1 5QH and Redlands Primary School will appear. Click on done and then go to News and you will see the news that has been posted on the website under the news section.

For Android Phones

Go to Google Play and download School Updates (this is free to do and use).

Open and then go to add school. Type in the school postcode RG1 5QH and Redlands Primary School will appear. Click on accept. Go to Settings and tick the Automatic News Updates and ok and then go to News and the latest news that has been posted on the website under the news section will be there.
