New Curriculum

In September 2014, all primary schools will be working with a new National Curriculum. This year, staff will be preparing the children for this, as the expectations are more challenging.

Your parent Governor has suggested holding curriculum evenings to update parents on what the new curriculum entails.

We will be holding these on :-

17th June

English 4 - 5pm

30th June

Maths 4 - 5 pm

Please put these dates in your diary and try to attend.

Polytunnel

Over the Christmas holiday, our polytunnels burnt down, with the loss not only of the tunnels but all of our equipment. As you can imagine the children were very upset by this.

It will cost well over £1000 to replace everything. If anyone knows of any local businesses who might donate a spade, trowel etc, could you please let school know.

Persistent Lates

We have recently had a register check from the LA and they are concerned about the number of children who are arriving late! Children who arrive late on a regular basis will be monitored over the next term! School doors are open from 8.40am and close at 8.50am. Please can you help your child/children to be in school by 8.50am each day. When your child arrives late on a regular basis they miss vital aspects of their learning. It can also cause them to worry about disrupting the lesson once it has started.

Jewellery

Polite reminder - children should not wear any sort of jewellery for school. Please help us to avoid any accidents by ensuring earrings are removed and no other jewellery is worn.

House Team Events

Well done to Gareth Drysdale, Calvery Frank, Libby Waller and Clayton Long who were voted House Captains. The House Sports Schedule began with Cross Country last week - more events scheduled.
