

Grange Primary School - End of KS2 results for 2012/13

The following is a summary of the attainment and progress of the pupils who left Grange Primary School in July 2013. Although the results are well off where we would have liked them to be there were some success stories within this data and we would not want to take away at all from the hard work that our staff and pupils put in and what many of them achieved. However, we are confident that the end of KS2 results in 2014 will show a significant improvement.

	Maths		Reading		Writing	
	2013 School	2013 National	2013 School	2013 National	2013 School	2013 National
L4+	64	85	74	86	69	83
L5+	19	41	31	44	24	30
Making expected progress	56	88	63	88	83	91
