'VEGETABLES AND FRUITS' PROJECT DELIVERY

Yesterday I visited Marakolliya K.V. to deliver the "Vegetables and Fruits" Project sent by Watton at Stone Primary & Nursery School. I handed over the project to Mrs. Dayani the TWINS Coordinator at the school and she and another teacher were very pleased to show it to the children. As you can see the children were very happy to receive the project from their overseas friends and many conversation took place about the similarities and differences between the vegetables and fruits you all enjoy in England..

The children at Marakolliya K.V. asked me to pass on a very big
THANK YOU to all at Watton at Stone Primary & Nursery School for
sending the
"Vegetables and Fruits" project.
